# The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [https://humanresources.columbia.edu](https://humanresources.columbia.edu) or call 1-212-851-7000. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [https://www.cms.gov/CCIIO/Resources/Forms-Reports-and-Other-Resources/Downloads/UG-Glossary-508-MM.pdf](https://www.cms.gov/CCIIO/Resources/Forms-Reports-and-Other-Resources/Downloads/UG-Glossary-508-MM.pdf) or call 1-212-851-7000 to request a copy.

| **What is the overall deductible?** | Network*: $200 per Individual per calendar year  
Non-Network*: $600 per Individual per calendar year. *Deductibles cross-apply Non-Network to Network.  
Does not apply to copays, pharmacy drugs, and services listed below as “No Charge”. | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. |
| **Are there services covered before you meet your deductible?** | Yes. Preventive Care and categories with copay are covered before you meet your deductible. | This plan covers some items and services even if you haven’t yet met the annual deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered services at [www.healthcare.gov/coverage/preventive-care-benefits/](http://www.healthcare.gov/coverage/preventive-care-benefits/) |
| **Are there other deductibles for specific services?** | No, there are no other deductibles. | You don’t have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services this plan covers. |
| **What is the out-of-pocket limit for this plan?** | Network*: $2,500 Individual / $5,000 Family  
Non-Network*: $4,500 Individual / $9,000 Family per calendar year *Out-of-pockets cross-apply Non-Network to Network. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| **What is not included in the out-of-pocket limit?** | Premiums, out of network charges exceeding 190% of Medicare MAC, balance-billing charges, health care this plan doesn’t cover, penalties for failure to obtain pre-notification for services. | Even though you pay these expenses, they don’t count toward the out-of-pocket. |
### Important Questions | Answers | Why This Matters:
--- | --- | ---
**Will you pay less if you use a network provider?** | Yes. See www.columbia.welcometouhc.com or www.myuhc.com or call 1-800-232-9357 for a list of network providers. | This plan uses a provider network. You will pay less if you use a provider in the plan’s network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider’s charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.  

**Do you need a referral to see a specialist?** | No | You can see the specialist you choose without a referral.

---

**Important Information:** All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
