*Out-of-network coinsurance reimbursement is based on 190% of the Medicare Maximum Allowable Charge (MAC).

**No copay for lab and radiology at certain designated NYP locations. For a list of NYP participating locations, go to humanresources.columbia.edu/documents

***Prescription drug copays count toward the medical plans annual in-network out-of-pocket maximums.

Important note: Most services require precertification. If you use a network provider, your participating network physician or hospital generally takes care of the precertification process for you. However, it's always good to double-check that your provider has obtained the necessary authorizations from your health plan carrier. If you see a provider who is out-of-network, you are responsible for obtaining pre-certification.
