Our **online directory** has the most up-to-date list of providers in our network. For **PPO plans**, you can see providers outside our network. They just have to be eligible to receive Medicare payments and accept your plan. But keep in mind: you may pay a higher cost share.

To find a network doctor or hospital, visit **aetnaretireeplans.com**.

Once there, follow the search instructions for plans offered through an employer or group sponsor.

To find a provider in your area that accepts Medicare payment, stop by **[medicare.gov](https://www.medicare.gov)**.

About your plan

Aetna Medicare Plan (PPO)

A PPO is a preferred provider organization plan. It gives you more flexibility when choosing a doctor.

You can see any provider, in or out of network. They just have to be licensed, eligible to receive Medicare payments and willing to accept your plan. **But you'll generally pay less for your care when you see a provider in our network.**

With a PPO plan, you have the option to choose a primary care physician. But when we know who your doctor is, we can better support your care.

For more detailed info on what your plan offers, see the "A closer look" section of this packet.

PHARMACY - PRESCRIPTION DRUG BENEFITS

Calendar-year deductible for prescription drugs \$0

Prescription drug calendar year deductible must be satisfied before any Medicare Prescription Drug benefits are paid. Covered Medicare Prescription Drug expenses will accumulate toward the pharmacy deductible.

Pharmacy Network S2

Your Medicare Part D plan is associated with pharmacies in the above network. To find a network pharmacy, you can visit our website (<http://www.aetnaretireeplans.com>).

Formulary (Drug List) GRP B2

Your cost for generic drugs is usually lower than your cost for brand drugs. However, Aetna in some instances combines higher cost generic drugs on brand tiers.

Initial Coverage Limit (ICL) \$4,020

The Initial Coverage Limit includes the plan deductible, if applicable. This is your cost sharing until covered Medicare prescription drug expenses reach the Initial Coverage Limit (and after the deductible is satisfied, if your plan has a deductible):

3 Tier Plan	Retail cost-sharing up to a 30 -day supply	Retail cost-sharing up to a 90 -day supply	Preferred mail order cost-sharing up to a 90 - day supply
Tier 1 - Generic Generic Drugs	\$10	\$30	\$30

Tier 3 - Non-Preferred Drug Includes some high-cost generic and non-preferred brand drugs	\$45	\$135	\$135

Coverage Gap

The Coverage Gap starts once covered Medicare prescription drug expenses have reached the Initial Coverage limit. Here's your cost-sharing for covered Part D drugs after the Initial Coverage limit and until you reach \$6,350 in prescription drug expenses:

Your former employer/union/trust provides additional coverage during the Coverage Gap stage for covered drugs. This means that you will generally continue to pay the same amount for covered drugs throughout the Coverage Gap stage of the plan as you paid in the Initial Coverage stage. Coinsurance-based cost-sharing is applied against the overall cost of the drug, prior to the application of any discounts or benefits.

Catastrophic Coverage

Greater of 5% of the cost of the drug - or - \$3.60 for a generic drug or a drug that is treated like a generic and \$8.95 for all other drugs.

Catastrophic Coverage benefits start once \$6,350 in true out-of-pocket costs is incurred.

For more information about Aetna plans, go to www.aetna.com or call Member Services at toll-free at 1-888-267-2637 (TTY: 711) for additional information. Hours are 8 a.m. to 6 p.m. local time, Monday through Friday.

Medical Disclaimers

Not all PPO Plans are available in all areas

Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.

In case of emergency, you should call 911 or the local emergency hotline. Or you should go directly to an emergency care facility.

The following is a partial list of what isn't covered or limits to coverage under this plan:

- Services that are not medically necessary unless the service is covered by Original Medicare or otherwise noted in your Evidence of Coverage
- Plastic or cosmetic surgery unless it is covered by Original Medicare
- Custodial care
- Experimental procedures or treatments that Original Medicare doesn't cover
- Outpatient prescription drugs unless covered under Original Medicare Part B

You may pay more for out-of-network services. Prior approval from Aetna is required for some network services. For services from a non-network provider, prior approval from Aetna is

recommended. Providers must be licensed and eligible to receive payment under the federal Medicare program and willing to accept the plan.

Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Aetna will pay any non contracted provider (that is eligible for Medicare payment and is willing to accept the Aetna Medicare Plan) the same as they would receive under Original Medicare for Medicare covered services under the plan.

Pharmacy Disclaimers

Aetna's retiree pharmacy coverage is an enhanced Part D Employer Group Waiver Plan that is offered as a single integrated product. The enhanced Part D plan consists of two components: basic Medicare Part D benefits and supplemental benefits. Basic Medicare Part D benefits are offered by Aetna based on our contract with CMS. We receive monthly payments from CMS to pay for basic Part D benefits. Supplemental benefits are non-Medicare benefits that provide enhanced coverage beyond basic Part D. Supplemental benefits are paid for by plan sponsors or members and may include benefits for non-Part D drugs. Aetna reports claim information to CMS according to the source of applicable payment (Medicare Part D, plan sponsor or member).

You must use network pharmacies to receive plan benefits except in limited, non-routine circumstances as defined in the EOC. In these situations, you are limited to a 30 day supply. To find a network pharmacy, you can visit our website (<http://www.aetnaretireeplans.com>).

Quantity limits and restrictions may apply.

If you reside in a long-term care facility, your cost share is the same as at a retail pharmacy and you may receive up to a 31 day supply.

Members who get "extra help" don't need to fill prescriptions at preferred network pharmacies to get Low Income Subsidy (LIS) copays.

Specialty pharmacies fill high-cost specialty drugs that require special handling. Although specialty pharmacies may deliver covered medicines through the mail, they are not considered “mail-order pharmacies.” Therefore, most specialty drugs are not available at the mail-order cost share.

For mail-order, you can get prescription drugs shipped to your home through the network mail-order delivery program. Typically, mail-order drugs arrive within 7-10 days. You can call 1-888-792-3862, (TTY users should call 711) 24 hours a day, seven days a week, if you do not receive your mail-order drugs within this timeframe. Members may have the option to sign-up for automated mail-order delivery.

Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna’s preferred drug list. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions. Pharmacy participation is subject to change.

There are three general rules about drugs that Medicare drug plans will not cover under Part D. This plan cannot:

- Cover a drug that would be covered under Medicare Part A or Part B.
- Cover a drug purchased outside the United States and its territories.
- Generally cover drugs prescribed for “off label” use, (any use of the drug other than indicated on a drug's label as approved by the Food and Drug Administration) unless supported by criteria included in certain reference books like the American Hospital Formulary Service Drug Information, the DRUGDEX Information System and the USPDI or its successor.

Additionally, by law, the following categories of drugs are not normally covered by a Medicare prescription drug plan unless we offer enhanced drug coverage for which additional premium may be charged. These drugs are not considered Part D drugs and may be referred to as “exclusions” or “non-Part D drugs”. These drugs include:

- Drugs used for the treatment of weight loss, weight gain or anorexia
- Drugs used for cosmetic purposes or to promote hair growth

- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Outpatient drugs that the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale
- Drugs used to promote fertility
- Drugs used to relieve the symptoms of cough and colds
- Non-prescription drugs, also called over-the-counter (OTC) drugs
- Drugs when used for the treatment of sexual or erectile dysfunction

Medicare Star Ratings

Want to know how well your plan rates? Look to the Stars.

Star Ratings are a way for you to compare the relative quality and performance of Medicare Advantage (Part C) and prescription drug (Part D) plans. The Centers for Medicare & Medicaid Services issues the ratings based on:

- Administrative results
- Clinical outcomes
- Plan member surveys

Each plan receives a rating from one star (lowest) to five stars (highest).

How to find your plan's Star Rating

1. Find the state you live in within the chart on the following page.
2. Note the contract number next to the name of your state.
3. Flip to the page in this section with the same contract number in the upper-left corner.
4. Review the medical, drug and overall rating for your plan.

If you have an Aetna Medicare Advantage plan **without** drug coverage, review just the health plan rating. You can ignore the plan's drug rating.

Some of the areas Medicare reviews for these ratings include:

- How our members rate our plan's services and care;
- How well our doctors detect illnesses and keep members healthy;

What happens next

Let's start your journey off right

Here's a list of documents to look for after you enroll. You'll hear from us within about 30 days of your acceptance into the plan.

Plan confirmation/acceptance letter

This letter includes information to help ensure you understand your plan's features. We'll send it to you once the Centers for Medicare & Medicaid Services approves your enrollment.

You'll get your letter by mail.

Plan member ID card

This card — not your Medicare card — should be used each time you visit the doctor, hospital or pharmacy (if you have prescription drug coverage).

You'll get your member ID card by mail. You'll also find it online.

Evidence of Coverage (EOC)

This is a complete description of coverage under your Medicare plan and your member rights. It's an important document — keep it in a safe place with your other plan information.

You'll get your EOC by mail.

Formulary

This is a list of drugs your plan covers and any special requirements (if you have prescription drug coverage).

You'll get your formulary by mail.

Aetna Medicare is an HMO, PPO plan with a Medicare contract. Enrollment in our plans depends on contract renewal.

This information is not a complete description of benefits. Call **1-800-307-4830 (TTY: 711)** for more information.

Every year, Medicare evaluates plans based on a 5-star rating system.

For mail-order, you can get prescription drugs shipped to your home through the network mail-order delivery program. Typically, mail-order drugs arrive within 7 to 14 days. You can call the phone number on your member ID card if you do not receive your mail-order drugs within this timeframe. Members may have the option to sign-up for automated mail-order delivery.

Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.

Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.

Important information about your enrollment in a Medicare Advantage plan

As an Aetna Medicare member, you agree to the following:

I will need to keep my Medicare Parts A and B and continue to pay my Part B premium. I can only be in one Medicare Advantage plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan. It is my responsibility to inform Aetna of any prescription drug coverage that I have or may get in the future.

I understand that if I don't have Medicare prescription drug coverage or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future.

Enrollment in this plan is generally for the calendar year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (for example, during the Annual Enrollment Period, which is October 15–December 7 of every year), or under certain special circumstances.

The Aetna Medicare Advantage plan serves a specific service area. If I move out of the area that the Aetna Medicare Advantage plan serves, I need to notify the plan and my former employer/union/trust so I can disenroll and find a new plan in my new area. Once I am a member of the Aetna Medicare Advantage plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from the Aetna Medicare Advantage plan when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border. I may also be disenrolled if I do not pay any applicable plan premiums within the grace period. The effective date of disenrollment is in accordance with federal requirements.

I understand that beginning on the date the Aetna Medicare Advantage plan coverage begins, using services in-network can cost less than using services out-of-network, except for emergency or urgently

needed services or out-of-area dialysis services. If medically necessary, the Aetna Medicare Advantage plan provides refunds for all covered benefits, even if I get services out of network.

Services authorized by the Aetna Medicare Advantage plan and other services contained in my Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR THE AETNA MEDICARE ADVANTAGE PLAN WILL PAY FOR THE SERVICES.**

I understand that if I am getting assistance from a sales agent, broker or other individual employed by or contracted with the Aetna Medicare Advantage plan, he/she may be paid based on my enrollment in the Aetna Medicare Advantage plan.

Release of information

By joining this Medicare health plan, I acknowledge that the Aetna Medicare Advantage plan will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that the Aetna Medicare Advantage plan will release my information, to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information, I will be disenrolled from the plan.
