FOREWORD

Disability insurance provides individuals and their families with financial protection. The Disability Insurance Benefit described in this booklet will help secure your family's financial security in the event of your disability.

The need for disability insurance protection depends on individual circumstances and financial situations. A portion of the cost of this coverage is provided by your Employer. You may need to contribute to the remaining cost of coverage through payroll deduction so that your benefit program is more comprehensive and responsive to your needs.

The following pages describe the main provisions of the disability insurance plan available to you.

Insurance benefits described in the following pages will apply to you if your Employer has made this coverage available to you at no cost or you have elected the benefit and authorized payroll deduction for the required premium.

WHO IS ELIGIBLE

Employee Eligibility

If you qualify under the Class Definition shown in the Schedule of Benefits you are eligible for coverage under the Policy on the Policy Effective Date, or the day after you complete the Eligibility Waiting Period, if later.

If you have previously converted your insurance under the Policy, you will not become eligible until the converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Disability Insurance benefits based on age or a change in class unless those conditions no longer affect the amount of coverage available to you.

Except as noted in the Reinstatement Provision, if you terminate your coverage and later wish to reapply, or if you are a former Employee who is rehired, you must satisfy a new Eligibility Waiting Period. You are not required to satisfy a new Eligibility Waiting Period if your insurance ends because you are no longer in an eligible class, but you continue to be employed by the Employer and within one year you become a member of an eligible class.

You must be in Active Service throughout the Eligibility Waiting Period to be eligible for coverage. The Eligibility Waiting Period will be extended by the number of days you are not in Active Service.

TY-005154-1

WHEN COVERAGE BEGINS

You will be insured on the date you become eligible, if you are not required to contribute to the cost of this insurance.

If you are required to contribute to the cost of your insurance you may elect to be insured only by authorizing payroll deduction in a form approved by the Employer and us. The effective date of your insurance depends on the date coverage is elected.

If you elect coverage within 31 days after you become eligible, your insurance is effective on the earliest of the following dates.

1. The Policy Effective Date.
2. The date you authorized payroll deduction for this insurance.
3. The date the completed enrollment request is received by the Employer or us.
4. Benefits Eligibility Effective Date.

If your enrollment request is received more than 31 days after you are eligible to elect coverage, insurance is effective on the date we agree in writing to insure you. We will require you to satisfy the Insurability Requirement before we agree to insure you.

If you are not in Active Service on the date your insurance would otherwise be effective, it will be effective on the date you return to Active Service.

TY-005155-1

(980025)

WHEN COVERAGE ENDS

Your insurance ends on the earliest of the dates below.

1. The date you are eligible for coverage under a plan intended to replace this coverage.
2. The date the Policy is terminated.
3. The date you no longer qualify under your Class Definition.
4. The day after the period for which premiums are paid.
5. The date you are no longer in Active Service.

TY-005156

CONTINUATION OF INSURANCE

This provision modifies the When Coverage Ends provision to allow insurance to continue under certain circumstances if you are no longer in Active Service. Insurance that is continued under this provision is subject to all other terms of the When Coverage Ends provisions.

Your Disability Insurance will continue if your Active Service ends because of a Disability for which benefits under the Policy are or may become payable. Your premiums will be waived while Disability Benefits are payable. If you do not return to Active Service, this insurance ends when your Disability ends or when benefits are no longer payable, whichever occurs first.

If your Active Service ends due to an approved leave pursuant to the Family and Medical Leave Act (FMLA), insurance will continue up to the later of the period of your approved FMLA leave or the leave period required by law in the state in which you are employed. Premiums are required for this coverage.

If your Active Service ends due to any other leave of absence approved in writing by the Employer prior to the date you cease work, insurance will continue for you for up to 24 months. Premiums are required for this coverage. An approved leave of absence does not include Furlough, Temporary Layoff or termination of employment.

If your Active Service ends due to Temporary Layoff, insurance will continue for you for up to 30 days. Premiums are required for this coverage.

If your Active Service ends due to any other excused short term absence from work that is reported to the Employer timely in accordance with the Employer's reporting requirements for such short term absence, your insurance will continue until the earlier of:

- a. the date your employment relationship with the Employer terminates;
- b. the date premiums are not paid when due;
- c. the end of the 30 day period that begins with the first day of such excused absence;
- d. the end of the period for which such short term absence is excused by the Employer.

Notwithstanding any other provision of this policy, if your Active Service ends due to termination of employment or any other termination of the employment relationship, insurance will terminate and continuation of insurance under this provision will not apply.

If your insurance is continued pursuant to this When Coverage Continues provision, and you become Disabled during such period of continuation, Disability Benefits will not begin until the later of the date the Benefit Waiting Period is satisfied or the date you are scheduled to return to Active Service.

TY-010040

TAKEOVER PROVISION

This provision applies to you only if you are eligible under this Policy and were covered for long term disability coverage on the day prior to the effective date of this Policy under the Prior Plan provided by the Policyholder or by an entity that has been acquired by the Policyholder.

- A. This section A applies to you if you are not in Active Service on the day prior to the effective date of this Policy due to a reason for which the Prior Plan and this Policy both provide for continuation of insurance. If required premium is paid when due, we will insure an Employee to which this section applies against a disability that occurs after the effective date of this Policy for the affected employee group. This coverage will be provided until the earlier of the date: (a) you return to Active Service, (b) continuation of insurance under the Prior Plan would end but for termination of that plan; or (c) the date continuation of insurance under this Policy would end if computed from the first day you were not in Active Service. The Policy will provide this coverage as follows:
1. If benefits for a disability are covered under the Prior Plan, no benefits are payable under this Plan.
 2. If the disability is not a covered disability under the Prior Plan solely because the plan terminated, benefits payable under this Policy for that disability will be the lesser of: (a) the disability benefits that would have been payable under the Prior Plan; and (b) those provided by this Policy. Credit will be given for partial completion under the Prior Plan of Benefit Waiting Periods and partial satisfaction of pre-existing condition limitations.
- B. The Benefit Waiting Period under this Policy will be waived for a Disability which begins while you are insured under this Policy if all of the following conditions are met:
1. The Disability results from the same or related causes as a Disability for which monthly benefits were payable under the Prior Plan;
 2. Benefits are not payable for the Disability under the Prior Plan solely because it is not in effect;
 3. The Benefit Waiting Period would not apply to the Disability if the Prior Plan had not ended;
 4. The Disability begins within 6 months of your return to Active Service and your insurance under this Policy is continuous from this Policy's Effective Date.
- C. Except for any amount of benefit in excess of a Prior Plan's benefits, the Pre-existing Condition Limitation will not apply if you were covered under a Prior Plan and satisfied the pre-existing condition limitation, if any, under that plan. If you did not fully satisfy the pre-existing condition limitation of that plan, credit will be given for any time that was satisfied under the Prior Plan's pre-existing condition limitation.

Benefits will be determined based on the lesser of: (1) the amount of the gross disability benefit under the Prior Plan and any applicable maximums; and (2) those provided by this Policy.

If benefits are payable under the Prior Plan for the Disability, no benefits are payable under this Policy.

DESCRIPTION OF BENEFITS WHAT IS COVERED

Disability Benefits

If you become Disabled, as we define the term in the Definitions section, while you are covered under the Policy, we will pay you Disability Benefits. After you are Disabled, you must satisfy the Benefit Waiting Period and be under the care and treatment of a Physician. Also, we ask you to provide us with satisfactory proof of your Disability, at your expense, before benefits will be paid.

We will require continued proof of your Disability for benefits to continue.

Benefit Waiting Period

The Benefit Waiting Period is the period of time you must be continuously Disabled before Disability Benefits may be payable. Your Benefit Waiting Period is shown in the Schedule of Benefits.

We will not require you to satisfy the Benefit Waiting Period if benefits were payable to you under a Prior Plan on the Policy Effective Date and you return to Active Service within 6 months after this Effective Date and are Disabled again within 14 days. Your later period of Disability must be caused by the same or related causes for your Benefit Waiting Period to be waived.

Termination of Your Disability Benefits

Your Disability Benefits will end on the earliest of the dates listed below.

1. The date you earn more than the percentage of your Indexed Covered Earnings which is used to determine if you are Disabled
2. The date we determine you are no longer Disabled
3. The date the Maximum Benefit Period ends
4. The date you die

Successive Periods of Disability

Once you are eligible to receive Disability Benefits under the Policy, separate periods of Disability resulting from the same or related causes are a continuous period of Disability unless you return to Active Service for more than 6 consecutive months.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes, or your later Disability occurs after your coverage under the Policy ends.

The Successive Periods of Disability provision will not apply if you are eligible for coverage under a plan that replaces the Policy.

Mental Illness Limitation

We will pay Disability Benefits on a limited basis for a Disability caused by, or contributed to by, any one or more of the following conditions. Once 60 monthly Disability Benefits have been paid during your lifetime, no further benefits will be payable for any of the following conditions.

- 1) Anxiety disorders
- 2) Delusional (paranoid) disorders
- 3) Depressive disorders
- 4) Eating disorders
- 5) Mental illness*
- 6) Nervous Disorder*

If, before reaching the lifetime maximum benefit, you are confined in a hospital for more than 14 consecutive days, that period of confinement will not count against the lifetime limit. The confinement must be for the Appropriate Care of any of the conditions listed above.

Alcoholism and Drug Abuse Limitation

We will pay Disability Benefits on a limited basis for a Disability caused by, or contributed to by, any one or more of the following conditions. Once 60 monthly Disability Benefits have been paid during your lifetime, no further benefits will be payable for any of the following conditions.

- 1) Alcoholism
- 2) Drug addiction
- 3) Substance Abuse*

If, before reaching your lifetime maximum benefit, you are confined in a hospital for more than 14 consecutive days, that period of confinement will not count against your lifetime limit. The confinement must be for the Appropriate Care of any of the conditions listed above.

Pre-Existing Condition Limitation

We will not pay benefits on account of any Disability which is caused or contributed to by, or results from, a Pre-Existing Condition, until 12 months after your most recent effective date of insurance. The Pre-Existing Condition Limitation will apply to any added benefits or increases in benefits.

A "Pre-existing Condition" means any Injury or Sickness for which you incurred expenses, received medical treatment, care or services including diagnostic measures, took prescribed drugs or medicines, or for which a reasonable person would have consulted a Physician within 3 months before his or her most recent effective date of insurance.

The Pre-existing Condition Limitation will not apply if you were covered under your Employer's Prior Plan and satisfied the Pre-existing Condition limitation, if any, under that Plan. It will, however, apply to any amount of benefit in excess of a Prior Plan's benefits. If you were covered under your Employer's Prior Plan, but did not fully satisfy the Pre-existing Condition Limitation of that plan, credit will be given for any time you did satisfy.

In addition, if you provide satisfactory evidence that you were provided substantially similar coverage under another disability benefit plan through a date not more than 60 days prior to the effective date of your insurance under this Policy, then we will credit the period of time you were covered under the plan against the period of time during which coverage of pre-existing conditions is not provided under this Policy.

TY-009765

Disability Benefit Calculation

Your Disability Benefit for any month Disability Benefits are payable to you is shown in the Schedule of Benefits. We base our calculation of Disability Benefits on a 30 day period. Benefits will be prorated if payable for any period less than a month.

Work Incentive Benefit

For the first 24 months you are eligible for a Disability Benefit, your Disability Benefit is as defined in the Schedule of Benefits. If, for any month during this period, the sum of your Disability Benefit, your current earnings and any additional Other Income Benefits exceed 100% of your Indexed Covered Earnings, your Disability Benefit will be reduced by the excess amount.

After 24 months, your Disability Benefit is as shown in the Schedule of Benefits, reduced by 50% of your current earnings received during any month you return to work. If the sum of your Disability Benefit, your current earnings and any additional Other Income Benefits exceed 80% of your monthly Indexed Covered Earnings, your Disability Benefit will be reduced by the excess amount.

No Disability Benefits will be paid if we determine you are able to work under a Transitional Work Arrangement or other modified work arrangement, and you refuse to do so.

If you are working for another employer on a regular basis when Disability begins, your earnings will include the amount of any increase in the amount you are earning from this work while you are Disabled.

We will, from time to time, review your status and will require satisfactory proof of earnings and continued Disability.

Other Income Benefits

While you are Disabled, you may be eligible for benefits from other income sources. If so, we reduce the Disability Benefits payable by the amount of such Other Income Benefits payable due to the same disability.

Other Income Benefits include:

1. any amounts you or your dependents, if applicable, receive (or are assumed to receive*) under:
 - a. the Canada and Quebec Pension Plans;
 - b. the Railroad Retirement Act;
 - c. any local, state, provincial or federal government disability or retirement plan or law as it pertains to your Employer;
 - d. any sick leave or salary continuation plan of your Employer;
 - e. any work loss provision in any mandatory "No-Fault" auto insurance.
2. any Social Security disability or retirement benefits you or any third party receive (or are assumed to receive*) either on your behalf or for your dependents; or, if applicable, which your dependents receive (or are assumed to receive*) because of your entitlement to such benefits.
3. any retirement plan benefits funded by your Employer. "Retirement plan" means any defined benefit or defined contribution plan sponsored or funded by your Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any Employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 401(k) plan.
4. any proceeds payable under any franchise or group insurance or similar plan. If there is other insurance that applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, we will pay our pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
5. any amounts you or your dependents, if applicable, receive (or are assumed to receive*) under any Workers' Compensation, occupational disease, unemployment compensation law or similar state or federal law, including all permanent as well as temporary disability benefits.
6. any amounts paid on account of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise, where a third party may be liable, regardless of whether liability is determined.
7. any wage or salary for work performed while Disability Benefits are payable, to the extent they exceed the amount allowed under the Work Incentive Benefit.

Dependents include your spouse and children or step-children.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits

After we make the first deduction for any Other Income Benefits, any cost of living increases for Other Income Benefits, except for wage or salary, will not further reduce your Disability Benefit during a period of Disability.

Lump Sum Payments

Other Income Benefits or earnings that are paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated monthly over a five-year period.

If no specific allocation of a lump sum payment is made, we will assume the total payment is an Other Income Benefit.

Assumed Receipt of Benefits

We will assume you or your dependents, if applicable, are receiving Other Income Benefits if you are eligible to receive them. We will estimate the amount of these assumed benefits on the basis of what you may be eligible to receive.

We will not assume your receipt of Other Income Benefits if you give us proof of the following events.

1. Application was made for these benefits.
2. Reimbursement Agreement is signed by you.
3. Any and all appeals were made for these benefits, or we have determined further appeals will not be successful.
4. Payments were denied.

We will not assume you have received, nor will we reduce your Disability Benefits by, any elective, actuarially reduced, or early retirement benefits under such laws until you actually receive them.

Social Security Assistance

We will, at our own discretion, assist you in applying for Social Security Disability Income (SSDI) benefits. Disability Benefits will not be reduced by your assumed receipt of SSDI benefits while you participate in the Social Security Assistance Program.

We may require you to file an appeal if we believe a reversal of a prior decision is possible. If you refuse to participate in, or cooperate with, the Social Security Assistance Program, we will assume receipt of SSDI benefits until you give us proof that you have exhausted all the administrative remedies available to you.

Minimum Benefit

We will pay the Minimum Benefit regardless of any reductions made for Other Income Benefits. However, if there is an overpayment due, this benefit may be reduced to recover the overpayment.

Recovery of Overpayment

If we overpay your benefits, we have the right to recover the amount overpaid by either requesting you to pay the overpaid amount in a lump sum or by reducing any amounts payable to you by the amount due. If there is an overpayment due when you die, we will reduce any benefits payable under the Policy to recover the overpayment.

ADDITIONAL BENEFITS

Rehabilitation During a Period of Disability

If we determine that you are a suitable candidate for rehabilitation, we may require you to participate in a Rehabilitation Plan. We have the sole discretion to approve your participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan.

The Rehabilitation Plan may, at our discretion, allow for payment of your medical expense, education expense, moving expense, accommodation expense or family care expense while you participate in the program.

If you fail to fully cooperate in all required phases of the Rehabilitation Plan without Good Cause, no Disability Benefits will be paid, and insurance will end.

TY-005189-1

Conversion Privilege for Disability Insurance Benefits

If an Employee's insurance ends because employment with the Employer ends, or an Employee is laid off or on an uninsured leave of absence, he or she may be eligible for conversion insurance.

To be eligible, an Employee must have been insured for Disability Benefits and actively at work for at least 12 straight months. An Employee must apply for conversion insurance within 62 days after insurance under this Policy ends or within 31 days of the date notice is given to apply for a converted policy or certificate, whichever is later. In no event will the conversion period be extended beyond 105 days from the date insurance ends.

The benefits of the conversion plan will be those benefits offered at the time the Employee applies. The premium will be based on the rates in effect for conversion plans at that time.

Conversion insurance is not available if any of the following conditions apply:

1. the Employee is retired or age 70 or older;
2. the Employee is not in Active Service because of Disability;
3. the Policy is canceled for any reason;

TY-010035

(980025)

Cost of Living Adjustment (COLA) Benefit (For the Optional Benefit)

Each year after you are continuously Disabled and 12 Disability Benefits are payable, we will increase your Monthly Benefit. The increase will be the lesser of the annual increase in the Consumer Price Index (CPI-W) during the preceding calendar year or 3%.

The increase will become effective on January 1. We will not apply this increase to the Minimum or Maximum Disability Benefit. Nor will we apply it to the formula used to determine your Work Incentive Benefit, if any.

TY-005815

Pension Contribution Benefit

The Insurance Company will pay a Pension Contribution Benefit to the Employer's pension plan for a Disabled Employee. Pension Contribution Benefits will begin and end at the same time as Disability Benefits.

TY-005187

WHAT IS NOT COVERED

We will not pay any Disability Benefits for a Disability that results, indirectly or directly, from:

1. suicide, attempted suicide, or self-inflicted injury.
2. war or any act of war, whether or not declared.
3. an Injury or Sickness that occurs while engaged in the activities of active duty service in the military, navy or air force of any country or international organization. An Injury or Sickness that occurs while engaged in Reserve or National Guard training is not excluded until training extends beyond 31 days.

We will not pay Disability Benefits for a Disability that results directly from the commission of a felony or attempted felony.

We will not pay Disability Benefits for any period of Disability during which you:

4. are incarcerated in a penal or corrections institution.
5. are not receiving Appropriate Care.
6. fail to cooperate with us in the administration of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit due.
7. refuse to participate in rehabilitation efforts as required by us.
8. refuses to participate in a Transitional Work Arrangement or other modified work arrangement. These work arrangements mean any work offered to you by the Policyholder, Employer, or an affiliated company while you are Disabled and which you are capable of performing as determined by us and your Physician. The work may be your own occupation or any occupation. The work arrangements include, but are not limited to: reassigned duties, work site modifications, flexible work arrangements, job adaptations, and special equipment. If benefits are not payable to you under this exclusion, and if at a later time your Disability prevents you from participating in such work arrangement, benefits will become payable according to the terms of the Policy.

TY-005177-1

CLAIM PROVISIONS

Notice of Claim

Written notice or notice by any other electronic or telephonic means authorized by us, must be given to us after a covered loss occurs or begins, or as soon as reasonably possible. If this notice is not given within a reasonable amount of time, the claim will not be invalidated or reduced if it is shown that such notice was given as soon as was reasonably possible. Written notice can be given at our home office in New York, New York or to our agent. Notice should include the Policyholder's name and policy number and the Insured's name and address.

Claim Forms

When we receive the notice of claim, we will send claim forms for filing proof of loss. If claim forms are not sent within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof or proof by any other electronic or telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. A claimant will be required to provide any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

Written proof, or proof by any other electronic/telephonic means authorized by us, that Disability continues and of Appropriate Care by, or regular attendance by a Physician must be given to us at intervals required by us. Within 30 days of a request, such proof of continued Disability must be furnished to us.

We will not deny or reduce any claim if it: 1) is not reasonably possible to furnish the required proof within that period; and 2) is shown that such proof of loss was given as soon as was reasonably possible.

Time of Payment

Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which we are liable, will be paid at that time.

To Whom Payable

Any benefits that are payable for Disability will be paid to you. If any person to whom benefits are payable is a minor or, in our opinion, is not able to give a valid receipt, such payment will be made to their legal guardian.

If you die while any Disability Benefits remain unpaid, we may, at our option, make direct payment to the first surviving class of the following living relatives: spouse, children, parents, brothers and sisters; or to the executors or administrators of your estate. We may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release us from all liability for any payment made.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

ADMINISTRATIVE PROVISIONS

Premiums

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

Reinstatement of Insurance

Your insurance may be reinstated if it ends because you are on an unpaid leave of absence. If your Active Service ended due to an approved leave pursuant to the Family and Medical Leave Act (FMLA) and Continuation of Insurance is not applicable, your insurance may be reinstated at the conclusion of the FMLA leave.

If your Active Service ends due to an Employer approved unpaid leave of absence, other than an approved FMLA leave, insurance may be reinstated only:

1. If the reinstatement occurs within 6 months from the date insurance ends, or
2. When returning from military service pursuant to the Uniformed Services Employment Act of 1994 (USERRA).

GENERAL PROVISIONS

Entire Contract

The Policy, the application of the Policyholder (a copy of which is attached at issue), the Policyholder endorsements, riders, certificate and attached papers constitute the entire contract between the parties. If an application of any Employee is required, it may also be made a part of this contract, at our option. Nothing in this Policy will invalidate or impair the rights granted to any certificateholders by their certificates or by law.

Incontestability

All statements made by the Policyholder, or by an Employee are deemed representations and not warranties. No statement will cause us to deny or reduce benefits or be used as a defense to a claim, unless a copy of the written instrument, signed by the claimant, containing the statement is, or has been, furnished to such person while such person is still living. In the event of his death or legal incapacity, the beneficiary or representative must receive a copy. After two years from the Employee's effective date of insurance, no such statement will cause insurance to be contested except for non-payment of premium. This also applies to any added or increased benefits, from the effective date of the addition or increase in benefits.

Misstatement of Age

If your age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance.

Assignment

The Insurance Company will not be affected by any assignment of your certificate until the original assignment or a certified copy of the assignment is filed with the Insurance Company. We do not assume responsibility for the validity or sufficiency of an assignment. An assignment of the certificate will operate so long as the assignment remains in force. To the extent provided under the terms of the assignment, an assignment will transfer all rights and obligations of the Insured, or of the owner if other than the Employee.

This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where it is contrary to law.

Conformity with State Statutes

Any provision of the Policy in conflict on the Policy Effective Date with the laws of the state where the Policy is delivered is amended to conform to the minimum requirements of such laws.

Male Pronoun

The male pronoun as used herein will be deemed to include the female.

Clerical Error

Your coverage will not be affected by error or delay in keeping records of insurance under the Policy. If such an error or delay is found, the premium will be adjusted fairly.

Agency

The Policyholder, Employer and plan administrator are agents of the Employee for transactions relating to insurance under the Policy. The Insurance Company is not liable for any of their acts or omissions.

WHAT YOU SHOULD DO AND EXPECT IF YOU HAVE A CLAIM

When you are eligible to receive benefits under the Plan, you must request a claim form or obtain instructions for submitting your claim telephonically or electronically, from the Plan Administrator. All claims you submit must be on the claim form or in the electronic or telephonic format provided by the Insurance Company. You must complete your claim according to directions provided by the Insurance Company. If these forms or instructions are not available, you must provide a written statement of proof of loss. After you have completed the claim form or written statement, you must submit it to the Plan Administrator.

The Plan Administrator has appointed the Insurance Company as the named fiduciary for adjudicating claims for benefits under the Plan, and for deciding any appeals of denied claims. The Insurance Company shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Insurance Company shall be final and binding on Participants and Beneficiaries to the full extent permitted by law.

The Insurance Company has 45 days from the date it receives your claim for disability benefits, or 90 days from the date it receives a claim for any other benefit, to determine whether or not benefits are payable to you in accordance with the terms and provisions of the Policy. The Insurance Company may require more time to review your claim if necessary due to circumstances beyond its control. If this should happen, the Insurance Company must notify you in writing that its review period has been extended for up to two additional periods of 30 days (in the case of a claim for disability benefits), or one additional period of 90 days (in the case of any other benefit). If this extension is made because you must furnish additional information, these extension periods will begin when the additional information is received. You have up to 45 days to furnish the requested information.

During the review period, the Insurance Company may require a medical examination of the Insured, at its own expense; or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify you of the date and time of the examination and the physician's name and location. It is important that you keep any appointments made since rescheduling examinations will delay the claim process. If additional information is required, the Insurance Company must notify you, in writing, stating the information needed and explaining why it is needed.

If your claim is approved, you will receive the appropriate benefit from the Insurance Company.

If your claim is denied, in whole or in part, you must receive a written notice from the Insurance Company within the review period. The Insurance Company's written notice must include the following information:

1. The specific reason(s) the claim was denied.
2. Specific reference to the Policy provision(s) on which the denial was based.
3. Any additional information required for your claim to be reconsidered, and the reason this information is necessary.
4. In the case of any claim for a disability benefit, identification of any internal rule, guideline or protocol relied on in making the claim decision, and an explanation of any medically-related exclusion or limitation involved in the decision.
5. A statement informing you of your right to appeal the decision, and an explanation of the appeal procedure, including a statement of your right to bring a civil action under Section 502(a) of ERISA if your appeal is denied.

Appeal Procedure for Denied Claims

Whenever a claim is denied, you have the right to appeal the decision. You (or your duly authorized representative) must make a written request for appeal to the Insurance Company within 60 days (180 days in the case of any claim for disability benefits) from the date you receive the denial. If you do not make this request within that time, you will have waived your right to appeal.

Once your request has been received by the Insurance Company, a prompt and complete review of your claim must take place. This review will give no deference to the original claim decision, and will not be made by the person who made the initial claim decision. During the review, you (or your duly authorized representative) have the right to review any documents that have a bearing on the claim, including the documents which establish and control the Plan. Any medical or vocational experts consulted by the Insurance Company will be identified. You may also submit issues and comments that you feel might affect the outcome of the review.

The Insurance Company has 60 days from the date it receives your request to review your claim and notify you of its decision (45 days, in the case of any claim for disability benefits). Under special circumstances, the Insurance Company may require more time to review your claim. If this should happen, the Insurance Company must notify you, in writing, that its review period has been extended for an additional 60 days (45 days in the case of any claim for disability benefits). Once its review is complete, the Insurance Company must notify you, in writing, of the results of the review and indicate the Plan provisions upon which it based its decision.

YOUR RIGHTS AS SET FORTH BY ERISA

As a participant in The Trustees of Columbia University in the City of New York's Insurance Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.
