Optional UHC Vision Plan

Optional UHC Vision Plan

- **Basic Vision Plan** – All Officers and their covered dependents enrolled in any of the University's medical plans are covered by a basic vision benefit through UnitedHealthcare (UHC). This embedded plan provides coverage for routine eye exams, corrective lenses, frames and contact lenses.
- **Optional Vision Plan** – For enhanced vision benefits, Officers can elect to purchase Optional UHC vision coverage. See Slide 11 for Optional Plan highlights.

Plan replaces basic vision coverage for those enrolled in a medical plan.

You do not have to be enrolled in a medical plan to purchase this coverage.

- **Monthly Rates** –

Yourself Only \$5.23; Yourself + Child(ren) \$12.11;

Yourself + Spouse \$9.69; Family \$16.96

* Vision coverage follows Employee. Therefore, if you select the optional vision coverage for yourself but not all of the dependents you covered on medical, your dependents will not have any vision coverage for the year.

Optional UHC Vision Plan: Coverage Highlights

- **Routine Eye Exams** – One exam every 12 months with a \$10 copay. Enhanced eye exam coverage available for individuals with diabetes, children, and eligible pregnant/breastfeeding women.
- **Lenses** – The Optional Vision Plan reimburses members 100% of the cost for most lenses every 12 months. Enhanced lens coverage available for eligible children and pregnant/breastfeeding women.
- **Frames** – The Optional Vision Plan offers a \$130 allowance every 12 months.
- **Contact Lenses** – Up to four (4) boxes for covered formulary contacts, including fitting and evaluation fees; and up to two (2) follow up visits are covered in full. \$130 allowance for non-formulary contacts.
- **Laser Vision Discount Access** – Access to discounted laser vision correction through QualSight LASIK; savings of up to 35% of national average price.
