# **Medical Claim Form**

# What is this form for?

Use this UnitedHealthcare Claim Form to ask for payment for eligible care you've already received.

#### Did you know?

You receive a higher benefit if you use a UnitedHealthcare provider. This can be especially cost effective when receiving ongoing services like physical therapy or when purchasing durable medical equipment.

## **Things to Remember:**

- Complete this form on your computer before printing it. You can also complete it by hand.
- Make a copy of this claim form, claim details and receipt(s) to keep for your records.
- Send the claim as soon as you can and as close to the date of service as possible. Most plans require that services be submitted within 90 days of the date you received them. [For inpatient stays, the 90 days begins on the date your stay ended.]
- Be sure your member ID and the provider's or facility's details are clear and complete on the claim. This will help you receive faster payment.
- Send a detailed claim of the services from your provider, not just a receipt of your payment. Details like service codes and diagnosis codes are needed to process your claims quickly and correctly.
- Mail your form with the claim details and receipt(s) to the address on the back of your health plan ID card.

## What happens next:

After processing your claim, you'll receive an Explanation of Benefits (EOB). The EOB explains the charges applied to your deductible (the amount you pay for covered services before your plan begins to pay) and any charges you may owe the provider. Please keep your EOB on file in case you need it in the future. You may also review your EOB information on myuhc.com.
