An accident can happen to anyone at any time. Even with medical coverage, out-of-pocket expenses can quickly add up. That’s why having Cigna Accidental Injury insurance is important.

Additional financial protection for covered accidents
Cigna Accidental Injury insurance pays you (or whoever you designate) for treatments or injuries resulting from a covered accident. It can help you pay for expenses such as rehabilitation, transportation, child care, travel or other out-of-pocket expenses. What you do with the money is all up to you. Coverage continues after your first covered accident and can help provide protection for future covered accidents.

Choose the coverage that works best for you and your family. Your monthly cost will depend on the level of coverage you choose.

Why sign up for Cigna Accidental Injury insurance?
› **Cost-effective.** You can sign up for this coverage at economical group rates, which means you may pay less for your coverage.

› **Convenient.** We make it easy. No copays, deductibles, coinsurance or network requirements to worry about and your insurance premiums can be deducted from your paycheck.

› **Portable.** You can take your coverage with you if you leave your employer – benefits won't change if you port your coverage.*

* Under most plans, coverage is portable and ends at age 100. Review your plan documents for details.

Consider this – In the U.S.:
1 in 8 Americans are treated for accidents every year.

Accidents can happen at any time. Every 2 seconds at home. Every 7 seconds at work. And every 7 seconds on the road.
