AGREEMENT made and entered into as of this 22nd day of August 2019, by and between the TRUSTEES OF COLUMBIA UNIVERSITY IN THE CITY OF NEW YORK, located at 116th Street and Broadway, New York, 10027, referred to as the "Employer" and 1199SEIU UNITED HEALTHCARE WORKERS EAST with its offices at 310 West 43rd Street, New York, New York, 10036 (hereinafter referred to as the "Union"), acting herein on behalf of the Employees of the said employer as hereinafter defined, now employed and hereinafter to be employed and collectively designated as the "Employees".

W I T N E S S E T H

WHEREAS, the University recognizes the Union as the collective bargaining representative for the Employees covered by this Agreement as hereinafter provided, and

WHEREAS, it is the intent and purpose of the parties hereto that this Agreement promote and improve the mutual interests of the students of the University as well as those of its Employees and to avoid interruptions and interference with service to the students and to set forth herein their agreement covering rates of pay, hours of work and conditions of employment.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

ARTICLE 1

RECOGNITION - THE COLLECTIVE BARGAINING UNIT

1. (a) The University recognizes the Union as the sole and exclusive collective bargaining representative of the Employees in the bargaining unit set forth in the stipulation signed by the University annexed hereto, and marked EXHIBIT D.

(b) Excluded from the aforesaid bargaining unit are supervisory, confidential, executive and managerial employees, part-time employees who work a total of less than ten (10) hours per week, temporary employees as defined herein, and such other employees (i.e. cashiers and full-time students in degree granting programs at Columbia University, Teachers College and Barnard College) as are listed as being excluded. Supervisory Employee: Any individual having authority in the interest of the Employer, to hire, transfer, suspend, layoff, recall, promote, discharge, assign, reward, or discipline other employees, or responsibly to direct them, or to adjust grievances, or effectively recommend such action, if not of a merely clerical nature, but requiring the use of independent judgment.
(c) A temporary employee is one who is hired for a period of up to three (3) months and is so informed at the time of hire, and who is hired for a special project or to replace an Employee on leave or vacation. The said three (3) month period may be extended up to an additional three (3) months or for the length of maternity leave of the Employee being replaced, with the consent of the Union, which shall not be unreasonably withheld; however, such Employee shall become a member of the Union after the expiration of the initial three (3) month period. The University will notify the Union of temporary Employees who have been on the payroll of the University for three (3) months. A copy will be sent to the Organizer and to the Delegate for the area concerned. The notification will include, name, department, date of hire, the purpose of the hire and, if applicable, the name of the person being replaced.

2. It is agreed that this contract shall apply and continue in full force and effect at any location to which the University may move. It is further agreed that this contract shall apply to any new or additional facilities of the University and under its principal direction and control on campus within the five boroughs of New York City, Nassau, Suffolk and Westchester Counties.

3. Whenever the word "Employee" is used in this Agreement, it shall be deemed to mean the Employees in the bargaining unit covered by this Agreement, as defined in Article I, Section I hereof.

4. At the time a new Employee subject to this Agreement is hired, the University shall deliver to said Employee a written notice that the University recognizes and is in contractual relations with the Union and quoting or paraphrasing the provisions of Articles II and III of this Agreement.

5. Part-time Employees working ten (10) hours or more per week covered by this Agreement shall receive fringe benefits, wages rates and wages increases hereunder on a pro rata basis.

6. The University will have the option of participating in the Neutrality provisions of Attachment B of the settlement between the League of Voluntary Hospitals and Homes and the Union. The University will notify the Union in writing if it elects to participate.

7. With the express understanding that agency temporary employees are not University employees, the University agrees to provide the Union with quarterly reports listing the agency temporary employees supplied by the current or successor vendor responsible for providing temporary employees who have worked a minimum of 420 hours in a rolling year.
ARTICLE 2

UNION SECURITY

1. All Employees on the active payroll as of June 1, 2019, who are members of the Union shall maintain their membership in the Union in good standing as a condition of continued employment.

2. All Employees on the active payroll as of June 1, 2019, who are not members of the Union shall become members of the Union thirty (30) days after the effective date of this Agreement, except those who are required to become members sooner under the expired Agreement who shall become members on the earlier applicable date, and shall thereafter maintain their membership in the Union in good standing as a condition of continued employment.

3. All Employees hired after June 1, 2019, shall become members of the Union no later than the thirtieth (30th) day following the beginning of such employment and shall thereafter maintain their membership in the Union in good standing as a condition of continued employment.

4. For the purposes of this Article, an Employee shall be considered a member of the Union in good standing if he/she tenders his/her periodic dues and initiation fee uniformly required as a condition of membership.

5. Subject to Article 32, an Employee who has failed to maintain membership in good standing as required by this Article, shall, within twenty (20) calendar days following receipt of a written demand from the Union requesting his/her discharge be discharged if, during such period, the required dues and initiation fee have not been tendered.

6. The Union agrees that it will indemnify and hold the Employer harmless from any recovery of damages sustained by reason of any action taken under this Article.

ARTICLE 3

CHECK-OFF

1. Upon receipt of a written authorization from an Employee in the form annexed hereto as Exhibit "A", the Employer shall deduct from the wages due said Employee each month, starting not earlier than the first pay period following the completion of the Employee's first thirty (30) days of employment, and remit to the Union regular monthly dues and initiation fee, as fixed by the Union. The initiation fee shall be paid in two (2) consecutive monthly installments beginning the month following the completion of the probationary period.
2. Employees who do not sign written authorizations for deductions must adhere to the same payment procedure by making payments directly to the Union.

3. Upon receipt of a written authorization from an Employee in the form annexed hereto as Exhibit "B", the Employer shall, pursuant to such authorization, deduct from the wages due said Employee each period, starting not earlier than the first (1st) pay period following the completion of the Employee's first thirty (30) days of employment, the sum specified in said authorization and remit same to the 1199/SEIU Credit Union to the credit or account of said Employee. It is understood that such check-off and remittance shall be made by the Employer wherever feasible.

4. Upon receipt of a written authorization in the form annexed hereto as Exhibit "C", the Employer shall, pursuant to such authorization, deduct from the wages due said Employee once a year the sum specified in said authorization and remit same to the 1199/SEIU Political Action Fund as the Employees voluntary contribution to said Fund. It is understood that such check-off and remittance shall be made by the Employer wherever feasible.

5. The Employer shall be relieved from making such "Check Off" deductions upon: (a) termination of employment, or (b) transfer to a job other than one covered by the bargaining unit, or (c) layoff from work, or (d) an agreed leave of absence, or (e) revocation of the check-off authorization in accordance with its terms or with applicable law. Notwithstanding the foregoing, upon the return of an Employee to work from any of the foregoing enumerated absences, the Employer will immediately resume the obligation of making said deductions, except that deductions for terminated Employees shall be governed by paragraph 1 hereof. This provision, however, shall not relieve any Employee of the obligation to make the required dues and initiation payment pursuant to the Union constitution in order to remain in good standing.

6. It is specifically agreed that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and the Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any Employee arising from deductions made by the Employer hereunder. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

7. The Employer shall not be obliged to make dues deductions of any kind from any Employee who, during any dues month involved, shall have failed to receive sufficient wages to equal the dues deductions.

8. Each month, the Employer shall remit to the Union all deductions for dues and initiation fees made from the wages of Employees for the preceding month, together with a list of all Employees from whom dues and/or initiation fees have been deducted. The University will have the option of participating in the electronic dues transmission procedures agreed
to between the League of Voluntary Hospitals and Homes and the Union. The University will notify the Union in writing if it elects to participate.

9. The Employer agrees to furnish the Union each month with the names of newly hired Employees, their addresses, social security numbers, classifications of work, their dates of hire, and names of terminated Employees, together with their dates of termination, and names of Employees on leave of absence.

ARTICLE 4

NONDISCRIMINATION

1. Neither the Employer nor the Union shall discriminate against or in favor of any Employee on account of race, color, creed, national origin, citizenship status, disability, political belief, sex, sexual preference, sexual orientation, age, marital status or union activity.

2. Neither the Employer nor the Union shall discriminate against any Employee because of physical and/or mental disabilities except where such disabilities would directly prevent the accomplishment of the stated job duties.

3. After notification to the Union, the Employer shall be permitted to take all actions legally required to comply with the Americans with Disabilities Act.

ARTICLE 5

SEXUAL HARASSMENT

The Union and the University recognize the problem of sexual harassment in the workplace and are committed to ending it. The University will strictly enforce its policy regarding sexual harassment and will comply with all city, state and federal laws against sexual harassment. Sexual harassment complaints shall be filed with the University’s Office of Equal Opportunity and Affirmative Action.

ARTICLE 6

UNION ACTIVITY, VISITATION AND BULLETIN BOARDS

1. No Employee shall engage in any Union activity, including the distribution of literature, which could interfere with the performance of work during his/her working time or in working areas of the University at any time, except as provided in Article 31.
2. A representative of the Union shall have reasonable access to the University for the purpose of conferring with the delegates of the Union and/or Employees covered by this Agreement and for the purposes of administering this Agreement. Where the Union representative finds it necessary to enter a department of the University for this purpose, he/she shall first advise the personnel office or the head of the department or his/her designee in person, as the University shall state. A delegate intending to go to a department other than the one he/she represents shall follow the above procedure. Such visits shall not interfere with the operation of the University.

3. The Employer shall provide Bulletin Board(s) which shall be used for the purpose of posting proper Union notices. Such Bulletin Board(s) shall be placed conspicuously and at places readily accessible to Employees in the course of employment.

4. Delegates of the Union shall be released for a maximum of two (2) hours each month to attend delegate meetings. There shall be a maximum of two (2) such meetings per month, upon twenty-four (24) hour notice at a mutually convenient time. The unused time shall not accrue from month to month.

5. The Union shall submit a current list of Union delegates to the Employer every six (6) months.

6. Employees shall be released with pay to attend Executive Council meetings.

7. Employees shall be entitled to attend two (2) Union meetings per year for up to one (1) hour each without loss of pay, on dates and at times agreed upon by the Union and the University. Necessary employees whose positions must be covered will not be excused for the purpose of attending these meetings. Employees working at 1700 Broadway will be released one-half hour early (extra – for travel time) to attend the meetings.

8. As part of cost savings referred to in this Agreement, the parties recognize that the Union’s delegates will play a pivotal role in educating the Union membership in understanding the cost savings programs, in helping to prevent fraud and abuse in the Funds, and in understanding the Agreement and collective bargaining process. In this regard, the Delegates will be released for up to five (5) days over the life of this Agreement with pay for intensive training in these areas. The Contract Administrator Program and Delegate Training programs shall be extended for the period June 1, 2015 – May 31, 2019. The total cost of release time will be reimbursed to the Employer via a deduction from contributions otherwise due to the NBF.
ARTICLE 7

HIRING

1. Columbia University shall be a contributing Employer to the 1199 Health and Human Services Labor Management Initiative Inc.

2. Neither the Service in referring, nor the Employer in hiring, shall discriminate against an applicant because of membership or non-membership in the union or any ground prohibited under Article 4 of this Agreement. The Employment Service shall give preference to applicants from the Employer’s immediate community when union members are not available.

3. (a) The Employer shall notify the Service of all bargaining unit job and training position vacancies.

(b) Notwithstanding the foregoing, the Employer, retains the right to hire such applicants referred by the Employment Services as it deems qualified in its sole discretion. The Employer also retains the right to hire applicants from other sources.

4. The Employer shall not be required to notify the Employment Service of any job vacancy which must be filled without delay in order to meet an emergency.

5. The costs of operating the service shall be borne by the Labor Management Initiative Inc.

6. All available temporary jobs shall be posted in the cafeterias covered by the Union. Cafeteria employees shall be given preferential consideration in filling such positions.

7. In addition to copies of the University’s Job Opportunities currently provided by Human Resources, a paper copy will be sent to the School of Social Work and Dining Services.

ARTICLE 8

PROBATIONARY EMPLOYEES

1. Newly hired Employees shall be considered probationary for a period of one hundred and twenty (120) calendar days from the date of employment, excluding time lost for sickness and other leaves of absence. Benefit and Pension contributions shall commence at the end of eight (8) weeks of employment per Article 23(1) and Article 24(1).

2. Where a new Employee being trained for a job spends less than twenty-five percent (25%) of his/her time on the job, only such time on the job shall be counted as
employment for purposes of computing the probationary period. The probationary period for a part-time Employee whose regularly scheduled work week is less than three-fifths (3/5) of the regular work week applicable to his/her job classification shall be increased pro-rata in accordance with the following formula (rounded up to the nearest full day):

Regular probationary period \( \times \) Number of hours constituting the normal work week
\[
\begin{align*}
\text{Numbers of hours regularly scheduled}
\end{align*}
\]

3. During or at the end of the probationary period, the University may discharge any such Employee at will and such discharge shall not be subject to the grievance and arbitration provisions of this Agreement.

ARTICLE 9
SENIORITY

1. Definition

(a) Bargaining unit seniority is defined as the length of time an Employee has been continuously employed in any capacity in any covered cafeteria of the University.

(b) Classification seniority shall be defined as the length of time an Employee has worked continuously in a specific job classification.

2. Accrual

(a) An Employee's seniority shall commence after the completion of his/her probationary period and shall be retroactive to the date of his/her last hire.

(b) Bargaining unit seniority shall accrue during a continuous authorized leave of absence without pay up to six (6) months or for the period of parental/child care leave, provided that the Employee returns to work immediately following the expiration of such leave of absence; during an authorized leave of absence with pay; during a period of continuous layoff not to exceed the lesser of (12) months or the length of an Employee's continuous employment, if the Employee is recalled into employment; and during a sick leave of up to six (6) months.

(c) Classification seniority shall accrue during the periods specified in (b) above and during the time an Employee works in a specific job classification.

(d) Where jobs in the same unit of any Department in the same title and grade are closely related, if operationally feasible, the University will consider the most senior Employee for the assignment of new tasks.
(e) Temporary Employees, as defined in Article 1, paragraph 1 (b), shall have no seniority during the time they occupy the status of temporary Employees, but should any temporary Employee become a permanent Employee, then his/her seniority shall be retroactive to the date of employment.

(f) Part-time employees who regularly are scheduled to work three-fifths (3/5) or more of the regular work week applicable to his/her job classification shall accrue seniority as set forth in (a), (b) and (c) above. Part-time employees who are regularly scheduled to work less than three-fifths (3/5) of the regular work week applicable to his/her job classification shall accrue seniority in accordance with the following formula:

\[
\text{Length of Service} \times \frac{\text{Number of hours regularly Scheduled}}{\text{Number of hours constituting the regular work week}}
\]

(g) An Employee who terminates voluntarily after five (5) years of continuous employment may return within one (1) year with no loss of seniority. Seniority credit shall not be given for the time not employed.

For purposes of computing vacation entitlement, however, all part-time employees shall accrue seniority as set forth in (a), (b) and (c) above.

3. **Loss of Seniority**

An Employee's seniority shall be lost when he/she:

(a) Terminated voluntarily, except as provided for in 2(g) above.

(b) Is discharged for cause.

(c) Willfully exceeds an official leave of absence.

(d) Is laid off for a period of twelve (12) consecutive months or a period exceeding the length of the Employee's continuous service, whichever is less.

4. **Application**

(a) Bargaining unit seniority shall apply in the computation and determination of eligibility for all benefits where length of service is a factor pursuant to this Agreement.

(b) Classification seniority shall apply in promotions, layoffs and recalls and for
scheduling of vacations as herein provided.

5. **Layoffs**

(a) In the event of a permanent layoff within a job classification in one department, probationary employees within that job classification in one department shall be laid off first without regard to their individual periods of employment. Non-probationary employees shall be the next to be laid off on the basis of their bargaining unit seniority within the affected job classification within one department.

(b) In the event an employee is scheduled to be permanently laid off in one department and there exists a vacant position in another department, which the employee has the skill and ability to perform, bargaining unit seniority within the affected job classification shall prevail in assigning such employees to be laid off to such vacant jobs. This provision is not intended to circumvent the article on promotions.

(c) In the event a position is eliminated and the affected employee is not the least senior employee in his/her classification, such employee will be assigned to the position held by the least senior employee in the same classification and department, provided he/she has the skill and ability, work record and experience to perform the duties of the job. The least senior employee shall be permanently laid off. In the event the employee originally scheduled to be permanently laid off does not wish to exercise his/her rights to bump or take a vacancy which may be available such employee shall be deemed to be permanently laid off.

(d) In the event that an employee is reassigned to either a vacant position or the position held by the least senior employee within the job classification and department, he/she shall serve an eight (8) week probationary period, during which he/she may be removed from the position and shall be laid off if his/her performance is not satisfactory in the opinion of Management, but such action will be subject to Article 32 of this Agreement (Grievance Procedure).

(e) A non-probationary employee shall not be permanently laid off if, at the time of the prospective layoff, temporary work is available in the classification of the employees scheduled to be laid off that the employee is qualified to perform and the employee accepts the assignment and schedule required of the temporary position. At the time of the permanent layoff, it should be the employee’s option to accept such assignment or to exercise rights under the layoff and recall provision of this Article.

(f) If the employee accepts such temporary assignment, the employee is not permanently laid off and remains an employee with recall rights commencing from the effective date of permanent layoff stated in the Notice Letter. At the end
of the temporary assignment, if another temporary assignment, for which the employee is qualified, is not available the employee will be laid off and receive severance pay equal to the difference between the weeks in the temporary assignment and the severance pay as outlined under Article 20 of the collective bargaining agreement, if any. In the event that a non-temporary position exists at the end of the temporary assignment the above recall procedures shall apply. This provision will not apply to probationary employees.

This provision will not apply to intercession or summer furloughs.

(g) When an Employee is temporarily laid off, is given a definite date of return to work and is denied Unemployment Compensation Benefits solely because of the Amendment effective May 1, 2006 to Section 590.11 of the Labor Law, the University will pay such employee the sum of $220.00 per week (the deduction shall not exceed $44.00 per day) effective April 1, 2002 during such period of temporary unemployment, said sum to be reduced by any amount earned as a result of any type of employment during the layoff period. There will be a one (1) week waiting period per year during the Summer recess to receive the above payment. Under no circumstances will the above payment be made after the return date given to employee at the time of layoff, or during a period for which Unemployment Compensation Benefits are paid. The University shall continue to contribute to the National Benefit Fund for Hospital and Health Care Employees on behalf of said Employee at the same rate during the period of temporary layoff for the duration of the contract.

(h) Prior to each recess, the parties shall agree on a list of Employees ready to work or not ready to work during recess. If an Employee who is listed as ready to work declines to work when called by management, the Employee’s name will be removed from the recall list for the remainder of the recess period and management will give notification to the Union.

(i) The Employer agrees to give the Employee to be permanently laid off four (4) weeks notice of the layoff. In the event of a temporary layoff, during intercession or during the summer, the Employer agrees to give the Employee two (2) weeks notice of the layoff.

6. Recall

(a) Whenever a vacancy occurs in a job classification, Employees who are on layoff in that classification shall be recalled in accordance with their classification seniority in the reverse order in which they were laid off. If a vacancy occurs in a job classification where no Employee in that classification has recall rights, then the laid off Employee with the most bargaining unit seniority will be recalled if he/she has the ability to do the work, and if not, the next senior Employee will be recalled, and so on.
(b) Probationary Employees who have been laid off have no recall privileges.

(c) A part-time employee on layoff shall have recall rights to a full-time position only if he/she is willing to work the required full-time schedule of hours.

(d) An Employee who is recalled and assigned to a new position shall serve a probationary period of eight (8) weeks in such new position.

It is agreed in principle that for the purpose of applying seniority to recalls and to vacant positions and to layoffs, Employees in job classifications of similar types and requiring similar skills shall be grouped together. This provision shall be implemented by the University and the Union.

7. Promotions

(a) Where a promotional vacancy in a bargaining unit job occurs and two (2) or more Employees are under consideration for such vacancy, the University shall promote the Employee with the greatest seniority, unless as between or among such Employees, there is an appreciable difference in their ability to do the job. Disputes under this provision shall be subject to the grievance and arbitration provision of the contract.

(b) Whenever the University has a vacancy in a part-time position, the part-time hours will be offered first to the part-time employees on the basis of seniority. This will not supersede seniority clause.

(c) Job requirements shall reflect actual job duties of the job in question and be clearly stated. Equivalent experience shall be given due consideration.

(d) All promotional tests to determine an Employee's skill and ability shall be job related and objective.

(e) If an Employee claims that due to material changes in job content he/she should be upgraded, the Employee should submit a request, in writing, for such review to his/her immediate supervisor. The supervisor will meet with the Employee and review his/her job description. The Employee will be notified of the result of the review within forty-five (45) days of the submission of the request.

(f) At the time of hire, transfer or promotion, upon request, an Employee shall receive a copy of his/her current job description. Upon request, an Employee shall receive a copy of his/her current job description. This should be done within five days of the request.
(g) An Employee who is promoted shall serve an eight (8) week probationary period on the new job. If he/she is removed from the new job during the probationary period he/she shall be returned to his/her former job or to an equivalent one without loss of seniority or other benefits, excepting that if he/she is discharged his/her rights shall be subject to Article 30 of this Agreement.

8. Lateral Transfers

(a) Where a vacancy occurs in a bargaining unit job (other than a promotional vacancy), any Employee with a satisfactory work record and with at least one (1) year of service in his/her present job may request, in writing, a transfer to fill such a vacancy provided that the Employee has the necessary qualifications to perform the job and provided further that such transfer will not unreasonably reduce the operational efficiency of any department. Where two (2) or more Employees request such transfer in writing, the Employer shall transfer the Employee with greatest seniority, unless as among such Employees there is an appreciable difference in their ability to do the job.

(b) An Employee who is laterally transferred shall serve an eight (8) week probationary period on the new job. If he/she is removed from the new job during the probationary period, he/she shall be returned to his/her former job without loss of seniority or other benefits, excepting that if he/she is discharged, his/her rights shall be subject to Article 30 of this Agreement. Additionally, during said probationary period an Employee shall be returned to his/her former job upon his/her request, without loss of seniority or other benefits.

9. Seniority Roster

The University shall provide the Union with a current Seniority Roster. This shall be done on a yearly basis.

10. An employee who is notified that she/he will be subject to a layoff will, upon request, receive the following assistance from Human Resources:

   a. Assistance in creating or updating a resume
   b. Instruction on and access to the University’s job postings and job postings website
   c. Information about how to apply for positions
   d. Individual career counseling
   e. Benefits Information

11. CASUAL AND TEMPORARY EMPLOYEES-VOLUNTARY PROGRAM

Employees who have been laid off from their regular positions may be employed in temporary positions under the following rules:
1. Employees who have completed at least three (3) years of service as of the date of their layoff will be eligible to participate. Eligible employees must make a written election to participate or not to participate within two (2) weeks of receiving the notice of layoff.

2. An employee in the program will be covered by the collective bargaining agreement except as provided herein.

3. An employee who elects to participate:
   a. Will not receive the severance allowance provided in Article 20 of the collective bargaining agreement. In its place, the employee will be retained at his/her salary as of the date of layoff, and will receive the fringe benefits provided in the collective bargaining agreement, for a period of time equal to the number of weeks of severance pay the employee would have received under Article 20.
   b. Must accept all offered temporary, casual or training assignments and must work the same number of hours per week as the employee worked prior to the layoff, for the duration of time provided in paragraph 3(a). The University will attempt to accommodate work hour preferences, but cannot guarantee that the schedule and location of such assignments will be the same as those which the employee worked prior to the layoff. The University may assign any work which is of a general clerical nature for which the employee is minimally qualified.
   c. Will receive holiday pay for any holidays which occur, but will not be eligible to use vacation, personal leave or sick leave while in the program, except as follows:
      i. Because of the temporary nature of the assignments, the use of sick leave for absences due to illness shall be limited to one (1) day per month. In the event of longer absences due to illness, the employee will be required to use accrued vacation in lieu of sick leave. Employees in the program may be required to provide satisfactory evidence of illness; or

The payment shall be prorated for part-time Employees based on the average hours actually worked during the foregoing ninety (90) day period (or the ninety (90) day period referred to in paragraph 1 (e) below, where applicable). The lump sum payment shall not be considered as pay for payment of contributions to, or benefits provided by, the Union
Funds, or for purposes of overtime, shift or other differentials or any form of premium pay.

(e) The term “employed” as used in this Section 1 (e) shall include all periods of paid leave and for this purpose only: (i) a period for which the Employee is entitled to receipt of disability or workers compensation payments from the NBF or other insurance paid for by the Employer, and (ii) a period of unpaid leave of absence or layoff, provided, however, that individuals who were on an unpaid leave of absence or layoff (with recall rights) on the first pay period following June 3, 2019 must return to work to a regular full-time or regular part-time position at the end of the leave, or, in the case of layoff, before their recall rights have expired, and work for a period of ninety (90) days following such return.

<table>
<thead>
<tr>
<th>Employees hired on and after October 1, 2013</th>
<th>Two and one-half percent (2.5%) less than the minimum weekly rate</th>

</thead>
</table>

3. For Cafeteria employees, eliminate Grade A effective July 1, 2002, and move all positions into Grade B (lower rate) (at the appropriate step in the new hire progression, if applicable).

4. An Employee, when required to work at a higher rated bargaining unit job, shall be paid his/her rate or the rate for the other job, whichever is higher, after a total of five (5) days work in such higher classification in each contract year.

5. The University will discuss any new or modified job descriptions with the Union prior to posting the job. If it is claimed by the Union that the Employer has instituted a new job classification or substantially modified an existing job classification, the Union may process a claim for a change in the job rate for such classification in accordance with the provisions of Articles 32 and 33 of this agreement, provided, however that it is expressly understood and agreed that neither the Union nor any employee may grieve or arbitrate with respect to content or description of any such job or job classification.

6. Wherever in this Agreement the phrase "regular pay" appears, it shall be deemed to include shift differential but shall exclude overtime.

7. (a) The increases set forth in paragraph 3 above will be applied to the new hire wage scale as set forth in Stipulation J.

8. Seniority - Effective March 1, 2006, prospectively, eligibility and increases in seniority increments will be paid on the employee’s anniversary date. The following seniority increment will be added to the base pay of eligible employees (i.e. only those who have completed the required number of years as of that date):

- Employees who have completed at least 5 years of service - $5.00 per week

- Employees who have completed at least 15 years of service - $15.00 per week
- Employees who have completed at least 20 years of service - $20.00 per week
- Employees who have completed at least 25 years of service - $25.00 per week
- Employees who have completed at least 30 years of service - $30.00 per week

In calculating the seniority increment, any employee who received an increment on April 1, 2004, will have the amount of that increment deducted from the amount above, and will receive the balance. These payments will be calculated by adding the cents per hour to the employee’s then-current rate of pay.

9. **Meal Benefit** - Effective September 2010, all employees shall receive, without charge, one (1) meal per day from the board plan operations (replaces daily stipend referenced above).

Double time will be paid for work on the seventh (7th) work day, if the Employee has worked the six (6) previous days, or a holiday has occurred.

regular pay during the Spring or Christmas recess.

(c) If a paid holiday falls during the Employee's vacation, the Employee's vacation entitlement shall be extended by one (1) day or the Employee shall receive an extra day's pay. In making this determination, the University shall take into consideration the Employee's expressed preference.

<td>1 week</td>
</tr>
<tr>
<td>12 months</td>
<td>2 weeks</td>
</tr>
<tr>
<td>3 years</td>
<td>3 weeks</td>
</tr>
<tr>
<td>4 years</td>
<td>4 weeks</td>
</tr>
<tr>
<td>15 years</td>

If such absence extends into an Employee's scheduled vacation period the vacation shall be postponed and another period assigned. Substantial proof of such illness, maternity or injury must be provided by the Employee upon return to work after any absence caused by such illness, maternity or injury.

Hours of vacation pay for each week of vacation to which an Employee may be entitled as above defined, shall be computed on the basis of the average number of hours per week actually worked as above defined, including premium hours, during the twelve (12) calendar months immediately preceding the Employee's absence.

All involuntary absences as herein limited which exceed the aforesaid five (5) or thirteen (13) week period shall not be deemed nor considered as time worked in computing vacation pay, and vacation pay for such Employees shall be pro-rated by relating the number of weeks actually worked during the vacation eligibility year with the number of days or weeks such Employee would have been contractually entitled to had he/she worked the entire vacation eligibility year.

All voluntary absences shall not be deemed nor considered as time worked in the computation of vacation pay. Where an Employee has been voluntarily absent, his/her vacation pay shall be pro-rated on a percentage basis, i.e., the period of time actually worked as that period relates to the period of vacation pay due him/her. An Employee who has quit or who has been discharged or who has lost his/her seniority
pursuant to the terms of Article 9 and who has not received his/her vacation from work with pay to which he/she is entitled, shall receive a vacation allowance, the amount of which is to be calculated in accordance with the last preceding paragraph.

Employer at the time of the resignation, layoff, or dismissal.

8. An Employee eligible for disability benefits shall be paid for sick leave one-third (1/3) of
the Employee's regular straight time rate of pay. Such sick leave shall be deducted

2. It is agreed that the National Benefit Fund will provide disability benefits for the Employees covered by this Agreement, in accordance with the requirements of the New York State Disability Benefits Law. In view of the assumption of this obligation by the said Fund, the Employer agrees not to make any deductions from the covered Employees' wages on account of disability benefits. (c) Effective October 1, 2014, the contribution rate to the National Benefit Fund shall be 28.75%, and each twelve (12) months thereafter the rate shall be adjusted, as determined by the Fund actuary, to the level required to maintain all existing benefits including those improved in this Agreement and a minimum one (1) month surplus (defined as a surplus equal to one (1) month's contributions) through the expiration of the contract.

(d) The League and its member institutions agree:

(i) To expand the NBF's preferred provider program the League will make
maximum effort to encourage its member institutions to recruit affiliated physicians, mental health providers, dentists and other providers to accept NBF reimbursement as payment in full for medical, dental and all ancillary services.

(ii) To designate appropriate top management with authority to implement this program with the NBF.

(iii) To sponsor and conduct at the workplace, with the NBF, health promotion-disease prevention programs which may include hypertension testing and treatment, breast cancer screening, nutrition, smoking cessation and other wellness programs.

The parties will discuss the need for continuing the progression or modifying it, based on the annual review.

Benefit Fund Improvements

1. Mandatory Mail Order for Maintenance Prescription Drugs

This program requires active & retired members who use certain prescription drugs on a regular & long term basis to have those prescriptions filled, by mail, through the NBF pharmacy benefit manager, Advance PCS, Inc. This program will relieve some members of the need to constantly reorder the drug and to travel unnecessarily. It will help the NBF save resources by purchasing in bulk.

2. Full Formulary Program

The mandatory full formulary program will be administered through the NBF by its Pharmacy Benefit Manager Advance PCS, Inc. Among the programs are the following:
   i) Preferred Class. This program works like the NBF’s mandatory generic program. If a member chooses a preferred drug, they will have no out-of-pocket expense. If they choose a non-preferred drug, they must pay the difference in cost.
   ii) Class Closure. The Cox 2 class of drugs includes two drugs: Vioxx and Celebrex which most doctors consider equally effective. The NBF will cover only Vioxx. Again, if a member fills a prescription with Celebrex, the pharmacy will contact the doctor to change the prescription to Vioxx. If the member chooses Celebrex, the member is responsible for the full cost of the prescription.
   iii) Class Elimination. The NBF is no longer providing drug benefits in the non-sedating anti-histamine class. This includes Claritin, Allegra, and Zyrtec. Members have available effective over-the-counter drugs, e.g. chlortrimeton.
   iv) Drug Elimination. Migraine medications which are in excess of FDA guidelines for strength, quantity and duration are eliminated.

In the above programs, the first concern of the NBF is the members’ health and welfare. The three programs have been carefully designed to maximize this result. The intervention of a doctor may allow very limited exceptions.

3. Mandatory Medicare Risk HMO

A mandatory Medicare risk HMO for retirees (currently those in the Health First coverage area of Greater New York). The program will provide full hospital medical, drug, eyeglasses and a limited dental benefit. The effective date is April 1, 2002. The program will allow for hardship exemption. It is estimated that in the first year, twenty five percent of the retirees in the coverage area will remain with their current coverage.
The League and the Union will use their best efforts to add additional networks.

It is the intention of 1199 and the LVHH to maintain and improve the NBF’s programs. These and other adjustments are needed to preserve the resources of the NBF to provide its comprehensive health coverage in the face of rising health care costs. The estimated savings from these three and other initiatives are approximately $20 million in fiscal year 2003; $24 million in fiscal year 2004; and $28 million in fiscal year 2005.

Re: Implementation of sick leave incentive plan

Dear Betty,

This will confirm our agreement that the following represent examples of how the new sick leave implementation plan will be implemented:

Current employees have sick leave based on their date of hire and usage during their current leave year. On their next anniversary date, they will receive additional sick leave, again based on their date of hire. In order to qualify for the incentive payments, employees must have a current balance plus the new year’s accrual equal to 30 days as of the first day of the leave year. Then, any employee who begins the leave year with 30 days and uses less than a total of four (4) days of combined sick leave, workers compensation and/or disability in the year commencing on the anniversary date will qualify for a payment.

• Example 1: an employee hired on July 1, 1977 has 5 days left in his sick leave “bank”. On July 1, 2014, he will have an additional 20 days credited to his bank, for a total of 25 days. On July 1, 2015, he will have up to another 20 days (depending on sick leave use, if any, to a maximum of 60 days) credited. Assuming that the total on July 1, 2015 equals at least 30 days, he will be eligible for the incentive beginning in the 2015-16 leave year.

• Example 2: an employee hired on April 5, 1992 had 30 days in her sick leave bank on April 5, 2015, when her new leave year was credited. She is immediately eligible for the incentive in the 2015-16 leave year.

New employees will continue to accrue 12 days per year minus any sick leave used, until they have 30 days accrued as of the start of the leave year. Then, any employee who begins the leave year with 30 days and uses less than a total of four (4) days of combined sick leave, workers compensation and/or disability in the year commencing on the anniversary date will qualify for a payment.

Employees may receive incentive payments in every leave year during which they meet the requirements set forth above.

Sincerely,

David M. Cohen  
Assistant Vice President – Employee and Labor Relations
