This AGREEMENT is made and entered into by and between the Trustees of COLUMBIA UNIVERSITY in the City of New York (hereinafter called the "University") and LOCAL 2110, INTERNATIONAL UNION, UAW (hereinafter called the "Union"), acting herein on behalf of the Employees of the University, as hereinafter defined, now employed and hereinafter to be employed and collectively designated as the "Employees".

WITNESSETH:

WHEREAS, Columbia University recognizes the Union aforesaid as the collective bargaining representative for the Employees covered by this Agreement as hereinafter provided; and

NOW, THEREFORE, in consideration of the mutual covenants, promises and agreements herein contained, the parties DO HEREBY AGREE AS FOLLOWS:

ARTICLE 1
RECOGNITION

A. The University recognizes the Union as the exclusive bargaining agent for the unit certified by the National Labor Relations Board in Case No. 2-RC-19005.

B. Confidential Employees, Columbia University student Employees (including Teachers College and Barnard College) and temporary Employees are excluded from the unit.

C. A temporary Employee is one who is hired for a period of up to four (4) months and who is so informed at the time of hire and who is hired for a special project or to replace an Employee on leave of absence or vacation or to fill a job vacancy in the bargaining unit while an active search is being made for a regular replacement. The said four (4) month period may be extended for the length of a leave of absence. If a temporary full-time Employee is selected to fill a vacancy within the bargaining unit, or if the temporary position becomes a permanent position, the Employee will be included in the bargaining unit. In such cases, the immediate previous period of temporary employment shall be credited toward benefits under this Agreement; it being understood, however, that such period shall not result in any retroactive coverage or in any retroactive contributions to any benefit plan. SEE Appendix D.

D. The University agrees to notify the Union of temporary employees who have been on the payroll of the University for sixty (60) days. The notice shall include name, date of hire, replacing who or for what purpose and department.

Departments will notify the Office of Employee and Labor Relations whenever a temporary or casual employee has been employed longer than 60 days in a position which otherwise would be covered by the collective bargaining agreement, and that Office will notify the Union.

- E. (1) The parties agree to establish a joint labor/management committee consisting of three representatives from each side.

The committee shall meet at least quarterly. The University agrees to notify the Union of positions that fall into the following categories:

- a. Situations where a bargaining unit position is upgraded or reclassified to a position outside the bargaining unit; and
- b. Situations where a bargaining unit position is eliminated or significantly altered (through reorganization or for any other reason) and replaced by a newly created or existing position outside the bargaining unit.
- c. Any newly-created officer position below grade 13.

- (2) The Committee shall discuss the positions identified above to determine whether the position is appropriately excluded or included in the bargaining unit.

- a. The University agrees to cooperate fully with the Union in providing relevant information in order to meaningfully review the positions. Such information will be provided in a timely fashion. The University will provide the Union with a listing of positions that fall within the above three (3) categories. Within thirty (30) working days of receipt of the listing, the Union shall provide the University with a list of the position(s) the Union would like to discuss at the committee meeting, along with the basis of the Union's objection.
- b. Disputes which cannot be resolved by the joint labor/management committee shall be arbitrated by the Special Master/Arbitrator. If the committee is unable to agree to whether a position is appropriately excluded or included in the bargaining unit, the Union must file for arbitration with the Special Master/Arbitrator within fifteen (15) working days of the conclusion of the committee meeting.
- c. The costs of the arbitration shall be born equally by both parties, for positions submitted to facilitation and/or arbitration on or after June 3, 2019. Like cases and/or cases from the same department, school or division may be consolidated by mutual agreement.

- (3) The parties will appoint Bonnie Weinstock to act as a Special Master/Arbitrator to arbitrate the positions filed under Article 1E.

- a. The Special Master/Arbitrator will determine whether the position in dispute is exempt under the federal Fair Labor Standards Act, 29 CFR 541.100, 29 CFR 541.200, 29 CFR 541.300, as may be amended, and any regulations/case law interpreting or enforcing the FLSA, see Appendix F.
- b. The Special Master/Arbitrator will have the authority to determine whether the disputed position is an exempt position and properly excluded from the bargaining unit or a non-exempt position and properly included in the bargaining unit and in accord with Article 1 (A).

**It is understood between the parties that Bonnie Weinstock will act as the Special Master/Arbitrator for all positions filed under Article 1E, except for those cases that have been scheduled for arbitration prior to April 30, 2019; in those matters, Jay Nadelbach will act as Arbitrator.

The 1986 Side Letter shall survive for whatever value it has. [See Appendix A.] All cases arising on or before September 30, 2003, are settled in accordance with the side letter on page 68.

F. The University will provide new employees with information packets at time of hire. The packets will be provided by the Union, and will include copies of the collective bargaining agreement and union membership cards. The University will notify the Union monthly of the names of employees who received the packets.

G. The Union will not be required to pay rent for use of the premises located at 430 West 119th Street.

ARTICLE 2 **UNION SECURITY**

All Employees covered by this Agreement who have previously joined and are members of the Union on the date of the ratification of the Agreement by the Union, or who become members thereafter, shall maintain their membership in the Union for the duration of the Agreement as a condition of continued employment.

All Employees who fail voluntarily to acquire and maintain membership in the Union, shall be required as a condition of continued employment to pay to the Union each month, beginning not later than thirty-one (31) days after commencement of their employment, or after the ratification of this Agreement, whichever is later, a service charge as a contribution toward the cost of administration of this Agreement and the representation of such Employees. The amount of such service charges shall be equivalent to the amounts uniformly required to be paid as dues and initiation fee by those Employees who choose to become members of the Union.

For purposes of this Article, an Employee shall be considered a member of the Union if he/she tenders his/her initiation fee and periodic dues uniformly required as a condition of membership.

An Employee who has failed to maintain membership or to tender service charges as required by this Article shall, within thirty (30) calendar days following receipt of a written demand from the Union requesting his/her discharge, be discharged if, during such period, the required dues and initiation fee have not been tendered.

The Union agrees that it will indemnify and hold the University harmless from any recovery of damages sustained by reason of any action taken under this Article.

Upon written notice from the Union, the University will deduct all Union membership dues (or service charges) as provided for in the authorization form set forth below, upon condition that at

the time of such notice, the Union shall furnish the University with a written authorization executed by the Employee in the following form:

"I hereby authorize and direct my Employer to deduct from my wages and to pay over to the Union on notice from the Union such amounts including initiation fees and assessments (if any owing by me) as my membership dues in said Union (or service charges) as may be established by the Union and become due to it from me during the effective period of this authorization. This authorization may be revoked by me as of any anniversary date hereof by written notice signed by me of such revocation, received by my Employer and the Union, by registered mail, return receipt requested, not more than sixty (60) days and not less than fifty (50) days, before any such anniversary date, or on termination date of the collective bargaining agreement covering my employment, by like notice, prior to such termination date, whichever occurs the sooner."

The University will notify the Union promptly of any revocation of such authorization received by it.

The University shall provide the Union with a weekly list of new hires. The University will continue to supply the Union with notice of leaves, weekly hires (new hires, promotions, lateral transfers and recalls) and terminations.

The University shall provide new hires with an introductory letter signed by the Union per Exhibit C.

The University agrees to discuss with Local 2110 issues of concern regarding the role of the union in the expanded campus.

The University will continue to abide by the existing Recognition and Security Clauses.

ARTICLE 3
UNIVERSITY RIGHTS

Nothing in this agreement shall be construed to impair the University's exclusive right to manage its affairs and direct the work of its Employees except as otherwise herein expressly provided.

ARTICLE 4
NO STRIKE NO LOCKOUT

Each of the parties acknowledges the rights and responsibilities of the other party and agrees to discharge its responsibilities under this Agreement.

The Union, its officers and representatives at all levels, and all Employees, are bound to observe the provisions of this Agreement.

The University, and its representatives at all levels, are bound to observe the provisions of this Agreement.

During the life of this Agreement, the Union will not cause, or cause the Employees represented by it to cause, nor will any such Employee take part in any strike, slowdown, work stoppage, or any other concerted interference with the University's work. No officer or representative of the Union shall authorize, instigate, aid or condone any such activity and no Employee shall participate in any such activity.

Should any Employee or Employees take part in any strike or other activities contrary to the terms of this provision, the University shall immediately notify the Union, and the Union through its representatives shall take steps, as described herein, to have the Employee or Employees concerned immediately returned to work in the case of a strike or to cease any other activity prohibited by this Article:

- 1) Publicly disavow such action by the Employees.
- 2) Advise the University in writing that such action by Employees has not been called or sanctioned by the Union.
- 3) Notify Employees of its disapproval of action and instruct such Employees to cease such action and to return to work immediately.
- 4) Post notices at Union bulletin boards advising that it disapproves such action and instructing Employees to return to work immediately.

The University agrees there shall be no lockout of any kind whatsoever during the life of this Agreement.

Any Employee or Employees engaged in an unauthorized strike, slowdown, work stoppage, or any other concerted interference with the University's work in violation of this Agreement, will be subject to disciplinary action up to and including discharge.

ARTICLE 5
GRIEVANCE AND ARBITRATION

A. The following procedures should not be construed, in any way, to limit informal discussions between any Employee and representatives of the University which may be utilized, as in the past, for the purpose of resolving disagreements.

B. Unless otherwise specified in this Agreement, a grievance is a dispute between a bargaining unit Employee and the University, or the Union and the University, over the application or interpretation of the provisions of this Agreement or an alleged violation of it.

Step 1. Before filing a grievance, the aggrieved Employee and/or the Union Steward will present it to the immediate supervisor promptly after the occurrence of the alleged violation, misinterpretation or misapplication, and will try to resolve the grievance without formal proceedings.

Where the employer representative designated at Step 1 agrees that he or she lacks authority to settle the grievance, or where the Department determines that the employer representative designated for Step 1 and Step 2 is the same person, the Union may initially present the grievance at Step 2.

C. Grievances which are not settled with the immediate supervisor which the Union elects to submit formally will be processed as follows:

Step 2. The Union must present the grievance in writing with the provisions alleged to be violated to the Department Head not later than five (5) working days after the conclusion of Step 1 and in no event later than twenty (20) working days after the occurrence of the alleged violation, misinterpretation or misapplication.

The grievance will be discussed at a conference between the Union Steward or a member of the Union Grievance Committee, the aggrieved Employee and the Department Head or his/her designated representative. It will be held within five (5) working days after the grievance was submitted and the Department Head or his/her representative will respond in writing to the Steward and the Union within five (5) working days of the conference with a copy to the Employee.

D. If the grievance is not resolved at Step 2 and the Department's response is to be appealed, the Union will process the grievance to Step 3 by submitting, within seven (7) working days of the receipt of the Department's response, a written request to the Director of Employee Relations for a Step 3 conference.

Step 3. The aggrieved Employee, Union Steward or Grievance Committee Member, and Union representative shall meet with a designated representative of the Employee Relations Office within ten (10) working days of the receipt of the Step 3 grievance, to discuss the written grievance. Within ten (10) working days of the meeting, the Employee Relations representative will respond in writing to the Steward and the Union, with a copy to the Employee.

If the union so requests within seven (7) days of the notice period referenced in Article 12 E (Layoff) the University will hold the Step 3 no less than ten (10) days prior to expiration for a Step 3 grievance. Included in the grievance meetings will be a discussion of ways to avert the layoffs. Nothing herein shall be interpreted as a waiver of any existing contractual rights with respect to filing Step 3 grievances pertaining to layoffs.

E. The Union may pursue a grievance not resolved in Step 3 to arbitration if within fifteen (15) working days of the Step 3 response the grievance is submitted to a panel of three arbitrators selected by agreement between the University and the Union, with a copy of the submission to the University.

Cases will be rotated in alphabetical order among the members of the panel.

The panel will hear:

- a. all discipline cases
- b. all other cases.

The members of the panel will be:

Richard Adelman
Timothy Taylor
Marlene Gold
Jay Nadelbach

F. Failure on the part of the University to answer a grievance within the time limits provided for in any step shall allow the Union to proceed to the next step. Any disposition of a grievance from which no appeal is taken within the time limits specified herein shall be deemed resolved and shall not thereafter be considered subject to the grievance and arbitration provisions of this Agreement. The time limits specified in this Article may be extended only by written agreement between the University and the Union.

G. The arbitrator shall not be empowered to add to, subtract from or modify the terms of this Agreement. The decision of the arbitrator shall be final and binding on all parties. The costs of the arbitration shall be borne equally by both parties.

H. The parties agree that the maintenance of a peaceable and constructive relationship between them requires the establishment and cooperative use of the machinery provided for in this contract for the discussion and determination of grievances and disputes, and that it would detract from this relationship if, except as provided for herein, individual employees or groups of employees would, either as such individuals or groups, seek to interpret or enforce the contract on their own initiative or responsibility. No individual worker may initiate any arbitration proceeding or move to confirm or vacate an award.

I. Grievances related to layoff shall be filed at Step 3, within twenty (20) working days of notice of layoff.

J. Expedited arbitration for discharges and layoffs shall be instituted.

- K. [Deleted.]
- L. The parties may agree not to use outside counsel in any arbitration involving discipline.
- M. The University agrees to provide relevant information concerning a Step 3 grievance hearing on a timely basis prior to the date of the hearing upon receipt of a timely request.

The Union will be provided with a listing of the names of the recipients of the bonus, along with the amounts. This bonus is not subject to the grievance process, nor is it arbitrable.

ARTICLE 7
RESIGNATION

An Employee who resigns shall give the University two (2) weeks advance notice.

An Employee who gives notice of resignation as provided above, or whose employment is terminated, shall be entitled to receive payment for unused vacation time accrued on the effective date of the resignation or termination. If notice is not given as provided above, an Employee shall not be entitled to such payment, provided it was possible for the Employee to have given such notice.

ARTICLE 9
UNION ACTIVITY, VISITATION & BULLETIN BOARDS

A representative of the Union shall have reasonable access to the appropriate University offices for the purpose of conferring with its stewards and/or Employees covered by this Agreement, and for the purpose of administering this Agreement. Where the Union representative finds it necessary to enter upon the University's premises for this purpose, the representative shall advise the Director of Employee Relations and the head of the office or their respective designees, as the University shall state. Such visits shall not interfere with the operation of the department or office.

No Employee shall engage in any Union activities, including the distribution of literature, which interferes with the performance of work.

The University shall provide bulletin boards in reasonably accessible places for Union notices. No notices which are derogatory to the University shall be posted.

Up to 10 unit officers shall have a maximum of one hour per week without loss of pay in which to handle active grievances.

Each steward (approximately 28) shall be allowed a maximum of two hours per month without loss of pay in which to attend union meetings.

Each steward and three (3) unit officers shall be granted two (2) hours off with pay three (3) times per year to attend Union meetings. If in any month the Union does not hold a stewards' meeting, then the unused meeting time can be banked. Up to three (3) unused stewards' meetings may be banked. The union may conduct a maximum of fifteen (15) steward meetings in any calendar year, with a limit of two (2) meetings in any calendar month.

The Union shall submit a current list of Union Stewards and Unit Officers to the University every six (6) months.

When a new employee is hired, the appropriate unit officer or steward in that area shall be allowed fifteen (15) minutes without loss of pay to discuss union matters with such employee.

The University will provide a list of new employees who have signed up in advance for scheduled orientation sessions. Representatives of Local 2110 will be provided space and an opportunity to meet with new members following each orientation session.

The Union shall be entitled to conduct three (3) general membership meetings per year for up to one (1) hour each without loss of pay for employees, on dates agreed-upon by the Union and the University. Meetings shall be scheduled from 9 am to 10 am or from 4 pm to 5 pm. The University will permit employees at locations not on or immediately adjacent to the Morningside Campus to be released at 8:30 am or at 3:30 p.m. in order to attend the meetings.

The Union may bank one (1) meeting per year, to a maximum of three (3) during the term of the agreement, with a limit of four (4) meetings in any calendar year.

ARTICLE 10 **NON-DISCRIMINATION**

Neither the University nor the Union shall discriminate on the basis of race, color, religion, national or ethnic origin, sex, age, creed, disability, handicap, marital status, citizenship status, Vietnam Era or disabled veteran status, sexual orientation, gender identity and expression, or for union activities or union status.

ARTICLE 11 **PROBATIONARY EMPLOYEES**

A. Newly-hired Employees in Grades 9, 9a, and 9b shall be considered probationary for a period of one hundred and twenty (120) days from the date of employment. The University may extend this period for an additional sixty (60) days provided it notifies the Union, the steward, and the employee in advance, in writing, stating the reasons therefor. Newly-hired Employees in Grades 5, 6, 7, and 8 shall be considered probationary for a period of one hundred and twenty (120) days from the date of employment.

B. During his or her probationary period, an Employee may be terminated by the University without recourse to the grievance or arbitration provisions of this Agreement.

C. Probationary Employees shall not be deprived of the benefits set forth in the contract except as provided in (B) above because of an extension of their probationary period.

D. Date of hire shall be included in notice of termination or extension of a probationary employee.

ARTICLE 12 **SENIORITY**

A. Definition

(1) Bargaining unit seniority is defined as the length of time an Employee has been continuously employed in any capacity for the University, except as provided under the section on Accrual below.

(2) Departmental seniority is defined as the length of time an Employee has been employed within a department, regardless of job title or grade.

(3) Classification seniority is defined as the length of time an Employee has worked in a specific job classification within a grade and within a department, except that when a job is upgraded the person holding it will retain his/her classification seniority.

B. Accrual

(1) An Employee's seniority shall commence after the completion of his/her probationary period and shall be retroactive to the date of his/her last hire (except as provided in B (3)).

(2) Seniority shall accrue during a continuous authorized leave of absence provided that the employee returns to work immediately following the expiration of such leave of absence; during a period of continuous layoff not to exceed the lesser of twelve (12) months or the length of an employee's continuous employment, if the employee is recalled into employment; and during a sick leave of up to twelve (12) months.

(3) An employee who terminates voluntarily after four (4) years of continuous employment, and who the University chose to reemploy in the same or substantially equivalent position, may return within one (1) year with no loss in seniority. Seniority credit shall not be given for time not employed.

(4) Temporary Employees as defined in Article 1 (Recognition) shall have no seniority during the time they occupy the status of temporary employees, but should any temporary employee become a permanent employee, then his/her seniority shall be retroactive to the last date of continuous employment, except as otherwise provided in Section D (4) hereof. If a temporary employee becomes a permanent employee in the same job that he or she held while a temporary employee, he or she will not have to serve a probationary period in that job as a permanent employee if he or she had held it for four or more months as a temporary employee.

C. Break In Seniority

An Employee's seniority shall be lost when he/she is terminated voluntarily (except as provided in paragraph B(3)), discharged for cause, laid-off for a period of twelve (12) consecutive months or a period exceeding the length of the Employee's continuous service, whichever is less, exceeds an authorized leave of absence, or fails to respond within five (5) days exclusive of Saturdays, Sundays and holidays to an offer of work

sent by registered mail, return receipt requested. A copy of that offer will be mailed to the Union.

D. Application

(1) Bargaining Unit seniority shall apply in the computation and determination of eligibility for all benefits where length of service is a factor pursuant to this Agreement, and in layoffs, transfers, promotions and recalls as herein provided.

(2) Departmental seniority shall apply in promotions and transfers as herein provided.

(3) Classification seniority shall apply in layoffs and recalls except when otherwise provided herein.

Jobs within the same grade and department and entailing the same or substantially equivalent duties shall be deemed to be in the same classification.

(4) Employees specifically covered by this Agreement, as set forth in Article 1, whose pay is charged to a special or non-budgetary fund and who are informed at the time of their hire or at the time of transfer that their employment is for a special non-budgetary or research project and subject to this provision, shall, for the purpose of layoff, be considered to have classification seniority which may be exercised only within the project or grant to which assigned. Such Employees shall be considered to have bargaining unit seniority for purposes of transfer or recall to a vacant position outside of the special project, provided in each case that the Employees retained or recalled have the skill, ability, work record and experience to do the work.

E. Layoff

(1) The University will continue to make reasonable efforts to avert layoffs of bargaining unit employees.

(2) In the event of a layoff within a job classification in a department, probationary employees within the job classification shall be laid off first without regard to their individual periods of employment. Non-probationary Employees shall be the next to be laid off on the basis of their classification seniority.

(3) In the event a position is eliminated and the affected employee is not the least senior employee in his/her classification, such employee will be assigned to the position held by the least senior employee in the same classification and department, provided he/she has the skill and ability, work record and experience to perform the duties of the job, and the least senior employee shall be laid off.

(4) In the event that an employee is scheduled to be laid off from a position in a department and there exists a vacant position in that department for which the employee is qualified on the basis of skill, ability, work record and experience, then he/she may elect to fill that vacancy in lieu of being laid off.

Where two or more employees are scheduled to be laid off from a department and are qualified for a vacant position in that department, the vacancy will be offered first to the employee with the most bargaining unit seniority.

(5) In the event that an employee with four or more years of bargaining unit seniority is scheduled to be laid off from one department and there exists a vacant position in another department for which the employee is qualified on the basis of skill, ability, work record and experience, then he/she may elect to fill that vacancy in lieu of being laid off. Where two or more employees are scheduled to be laid off and are qualified for the vacant position, the vacancy will be offered first to the employee with the most bargaining unit seniority.

(6) In the event that an employee with less bargaining unit seniority than specified in paragraph 4 above is scheduled to be laid off in one department and there exists a vacant position in another department for which the employee is qualified on the basis of skill, ability, work record and experience, then he/she will be considered for the vacant position before other candidates. When two or more employees are scheduled to be laid off who are qualified, first consideration will be given to the one with the most bargaining unit seniority.

(7) If a regular part-time Employee has greater equivalent seniority than a full-time Employee in the same classification who is to be laid off, the part-time Employee must be willing to accept full-time employment to continue working.

(8) In all of the above cases, the employee who is assigned to a new position shall serve a ninety (90) day probationary period. If he/she is removed from the new position during the probationary period, he/she shall be laid off.

(9) The University will provide at minimum a total of thirty (30) days' notice of layoff or an equivalent period of time in the Casual and Temporary Program outlined in Article 41.

(10) When a cashier is temporarily laid off, and given a definite date of return to work and is denied Unemployment Compensation Benefits solely because of the Amendment effective July 20, 1983 to Section 590.11 of the Labor Law, the University will pay such employee the weekly sum of \$220 beginning with the second week of unemployment and during such period of temporary unemployment, said sum to be reduced by any amount earned as a result of any type of employment during the layoff period. Under no circumstances will the above payment be made after the return date given to employee at the time of layoff, or during a period for which Unemployment Compensation Benefits are paid.

Part-time cashiers on temporary layoff shall receive payments on a pro-rata basis.

Full-time and part-time cashiers on temporary layoff shall continue to receive the medical benefits they received while employed.

In the event that the layoff allowance for other dining services employees represented by Local 1199 is increased during the term of this agreement, cashiers represented by Local 2110 will receive the same increase.

The Department will make every effort to assess its summer staffing needs prior to the end of the spring semester. Based on operational needs, Cashiers will be retained during the summer months in order of their seniority within their location. Replacement or additional Cashiers, as needed, will be recalled in the same seniority order. If there is no Cashier from within the location who is available to work, Cashiers scheduled to be laid off or on layoff from other locations will be recalled in order of their seniority prior to the University hiring a temporary employee or outside applicant, except in an emergency situation.

(10) The University shall maintain a current layoff listing which shall be sent to the Union monthly.

(11) An Employee who obtains a position in the same grade pursuant to this Article 12 (E) shall receive no less than his/her prior salary plus any intervening wage increases.

(12) An employee who is notified that he/she will be subject to a layoff may, upon request, receive the following assistance from Human Resources:

- a. Assistance in creating or updating a resume or statement of personal qualifications
- b. Instruction on and access to the University's job postings and job posting web site (including Columbia University Medical Center and Harlem Hospital vacancies)
- c. Information about how to apply for positions
- d. Individual career counseling
- e. Benefits information.

F. Recall

(1) Whenever a vacancy occurs in a job classification, Employees who are on layoff in that classification shall be recalled in accordance with their classification seniority in the reverse order in which they were laid off provided that the Employee has the skill, ability, work record and experience to be qualified to do the work. If a vacancy occurs in a Department in a job classification where no Employee in that classification has recall rights or is deemed to be qualified, then the laid-off Employee in that Department with the most bargaining unit seniority will be recalled to that vacancy if he/she has the skill, ability, work record and experience to be qualified to do the work, and, if not, the next qualified senior Employee on layoff in that Department will be recalled and so on. If a vacancy occurs in a Department where no Employee is on layoff or is deemed qualified, and if there are employees on layoff who have four or more years of bargaining unit seniority, then the laid-off Employee with the most bargaining unit seniority will be recalled to the vacant position if he/she has the skill, ability, work record and experience to be qualified to do the work and, if not, the next qualified senior Employee with four or more years of bargaining unit seniority will be recalled and so on. Consideration of laid-off employees with less than the specified seniority for vacant positions will be governed by paragraph E (5) above.

(2) An employee who is recalled and assigned to a new position shall serve a ninety (90) day probationary period. If returned to layoff status during the probationary period,

the period of active employment shall not be deemed to be time on layoff for recall purposes.

- (3) Probationary employees who have been laid-off have no recall privileges.
- (4) It shall be the responsibility of each employee to keep the University informed of his/her current home address.
- (5) Laid-off employees shall be interviewed for vacancies prior to other candidates whenever possible.
- (6) An employee on layoff who is not offered recall to a vacant position for which he/she applied shall receive notification in writing.
- (7) Human Resources shall send a cover letter concerning contractual obligations for laid-off employees per attached Exhibit A.
- (8) An employee who obtains a position in the same grade pursuant to this Article 12 (F) shall receive no less than his/her prior salary plus any intervening wage increases.
- (9) Grievances with respect to failure to hire an employee in the layoff pool may be filed at Step 3 of the Grievance Procedure. Timely grievances involving multiple positions applicable to a single employee will be consolidated for handling.

G. Promotions and Lateral Transfers

- (1) Whenever a vacancy occurs in a department, the vacancy shall be posted (together with department and grade) for five (5) days. Preference for such vacancy shall be given to the employee within the department, who bids for the position (except where a laid off employee has recall rights), taking into account an employee's work record, experience, skill and ability to perform the required duties, and Affirmative Action considerations. Departmental seniority shall prevail where employees are equal based on the aforementioned factors. If the position cannot be filled from within the department, the same procedure shall be followed for filling the position from outside the department, except where such qualifications are equal, bargaining unit seniority shall prevail.
- (2) When a lateral transfer is applied for, such applications shall be considered after applications of those seeking promotions except that employees who have more than one year in their current position and who apply for a lateral transfer, shall receive the same preference as those seeking a promotion.
- (3) An employee who is promoted or transferred to a different position shall serve a ninety (90) day probationary period in the new position. If she/he is removed from the new position during the probationary period, he/she shall be returned to his/her former position or to an equivalent one without loss of seniority.
- (4) An employee must complete a minimum of six (6) months of continuous employment in the bargaining unit in his/her position before requesting a lateral transfer or promotion. If, however, no one with six months or more of continuous employment

applies, the University will consider employees who have completed their probationary periods but have less than six months of continuous employment before hiring from outside.

- (5) The University will continue to provide promotional increases as heretofore.
- (6) The Union will be provided upon request with seniority sign-ups and interview dates of applicants for vacant positions.
- (7) An Employee who is not selected for a transfer or promotion opportunity for which he/she applied shall receive notification in writing.
- (8) Vacancies shall be re-posted if not filled within 90 days of the initial posting.
- (9) Vacant positions will be posted at the maximum rate which the department expects to pay for such position. The University will re-post at the higher rate before hiring an outside applicant at a rate higher than the maximum rate originally posted.
- (10) Postings will state that the positions are Local 2110 U.A.W.
- (11) The Personnel Office shall send a cover letter concerning contractual obligations for transfers or promotions per attached Appendix A.

H. Temporary Transfers

When an employee is temporarily transferred to a job classification higher than his/her regular classification for a continuous period of more than five (5) work days, he/she shall receive the minimum rate of the higher classification, or five percent (5%) above his/her regular rate, whichever is higher, for hours worked in the higher classification beginning with the first day of the temporary transfer.

ARTICLE 13 **SEVERANCE PAY**

A regular supporting staff employee with twelve months of completed service is entitled to a layoff allowance of one week's basic pay for each completed year of full-time service. Full-time employees reduced to part-time will receive a pro-rata severance amount. It is expected that the employee will be entitled to a minimum of two weeks layoff allowance regardless of the years of completed full-time service. Payment of the layoff allowance shall be in the form of a lump sum payment, less applicable tax deductions, **and payable within thirty-one days of the last day worked.** If the employee is recalled and reinstated in a University position, the employee shall return to the University that portion of the layoff allowance not covered by the weeks spent in the layoff pool. (For example: An employee was given a layoff allowance based upon twenty weeks. The employee was recalled and reinstated after spending nine weeks in the layoff pool. The employee must return eleven weeks layoff allowance to the University.) Part-time employees should return a pro-rated amount. (Example: a 20-year full-time employee is reduced to a half-time position. Employee receives severance of 10 weeks and is reinstated to a full-time position in four weeks. The employee must return 8 weeks of severance pay). Should a

supporting staff employee find employment outside the University within the period of the layoff notification or while in the layoff pool, the layoff allowance will not be reduced.

ARTICLE 14
DISCHARGE AND DISCIPLINE

A. The Employer shall have the right to discipline and discharge any employee for just cause.

B. The Employer will notify the Union, the Steward and the Employee in writing within forty-eight (48) hours of any discharge with the reasons for the discharge. The Employer will notify the Union in writing within forty-eight (48) hours of any suspension. If the Union desires to contest the discharge or suspension, it shall give written notice thereof to the Employer within ten (10) working days from the date of receipt of notice of discharge or suspension. In such event, the dispute shall be submitted and determined under the grievance and arbitration procedure hereinbefore set forth; however, commencing at Step 3 of the grievance procedure.

C. Copies of all written warnings are to be sent to the Employee and the Union with a copy to the Steward.

ARTICLE 15
WORK WEEK

A. The regular work week for all full-time employees shall consist of thirty-five (35) hours per week, divided into five (5) working days of seven (7) consecutive working hours per day, except for an unpaid break for mealtime, not to exceed one (1) hour.

B. Employees who are required to remain at their work stations without interruption are entitled to two (2) scheduled fifteen (15) minute "breaks" in each work day. Subject to operating needs, other employees will be allowed to leave their desks for brief periods to get coffee and the like.

C. The University may create an alternative 35-hour work week of four (4) days, with an additional 15-minute break each day for any employee on such a schedule. All leave entitlements will be accrued and used in hours instead of days.

(1) Incumbent employees will not be required to work on a compressed work week schedule, except by mutual consent between the employee and the supervisor.

(2) The University will notify the Union whenever an employee begins to work a compressed schedule, except that this requirement will be deemed to have been satisfied if the original posting indicates that the position is one with a compressed work week.

D. The following procedure will apply whenever (1) the University is officially closed due to an emergency such as power failures, weather conditions, or similar occurrences; or (2) the University remains open but conditions make travel to work extremely difficult or hazardous and

the President or designee, in consultation with the Emergency Management Operating Team, declares the day an emergency operation day:

1. Non-essential employees scheduled to work will be paid for the day and will not be required to report for work. Non-essential employees who report for work may be required to remain at work to provide essential services and if so, will be paid for the day as essential employees.
2. Essential employees are those designated in advance (including in a posting) as necessary to provide service during an emergency, or who are so designated due to the particular emergency or as provided in paragraph 1, above. Essential employees who work during the emergency will receive a premium payment equal to their regular rate of pay for all hours worked during their normal shift as additional compensation. Full time employees will receive overtime pay at the rate of time and one-half for all hours outside of their normal shift. An essential employee who is unable to report for work despite all reasonable efforts and so informs his/her supervisor or designated person will be paid for the day.
3. If the University closes after the start of normal business hours or an individual employee's regular shift, employees will receive their regular salary from the beginning of their shift until the closing, and will thereafter be covered by the provisions above for the balance of the day.
4. Employees previously scheduled to be off for vacation, personal leave, holiday, sick leave or any other absence will be charged the appropriate type of leave, and will not be re-credited with the time. However, this paragraph shall not prevent the University from considering extenuating circumstances and re-crediting an employee previously scheduled for a single day off on the date of the emergency closing. Such consideration is at the University's sole discretion, and shall not be subject to the grievance procedure.

E. Timekeeping:

Union agrees to implementation of electronically-submitted timesheets. Parties agree to discuss implementation of an additional electronic-based time system. Should parties fail to agree either party may request mediation with Al Viani.

Support staff utilization of an electronic timekeeping system in CUIMC Facilities and Morningside Audio Visual is pursuant to the terms of the February 14, 2019 Side Letter.

ARTICLE 16
OVERTIME

A. Employees shall be compensated at the rate of one and one-half times their regular pay for authorized time worked in excess of the regular full-time work week, up to forty (40) hours, by receiving either pay for such overtime worked or compensatory time off. Compensatory time off must be scheduled and used within sixty (60) days from the time worked and if not scheduled

and used within sixty (60) days, shall be paid at the overtime rate. Any time worked after forty (40) hours shall be paid at time and one-half. There shall be no pyramiding of overtime.

B. The University will use its best efforts to provide reasonable notice in advance of requiring an employee to work overtime. Job postings will state whether it is anticipated that a position will require substantial seasonal overtime.

C. Overtime – Positions scheduled to work 24/7

When an employee is called into work at a time other than his/her regular work hours, he/she shall receive overtime pay at a rate of time and one-half of his/her regular base rate of pay for a minimum of four (4) hours.

The vacation year is July 1 to June 30. Vacation earned during one vacation year must be taken by the end of the following vacation year.

For regular part-time employees, vacation entitlement will be computed on a pro-rata basis in accordance with the number of hours per week regularly worked.

Upon completion of six months of employment, employees terminating on or after the 15th of any month will receive one (1) day and those terminating on the last working day of any month will be given credit for two (2) days.

Vacation may be scheduled throughout the calendar year according to seniority and consistent with the adequate functioning of operations, as determined by the University. Vacation scheduling requests may not be unreasonably denied.

Vacations cannot be extended or cancelled during a scheduled vacation period without the consent of the University.

The following limitations shall apply to vacations:

- (a) Vacation shall not be cumulative.

- (b) Vacation time shall not accrue during a leave of absence.
- (c) After the commencement of a vacation, no part thereof shall be changed to sick leave without the consent of the University unless the employee provides proof that he/she has been hospitalized on other than an outpatient basis.

Employees who terminate within the first six months of employment will not receive monthly vacation credit for the probationary period, but will receive monthly vacation credit for months 3-6 provided they work through the 30th of the month. Employees who terminate after six months of employment will receive vacation credit based on the schedule herein.

ARTICLE 18

In addition to the above holidays, there shall be three (3) personal holidays, except at the Health Sciences Center where employees shall be entitled to two (2) personal holidays but shall be entitled to George Washington's Birthday as a paid (legal) holiday. A new employee, following the completion of the probationary period, can take one personal holiday during the first six (6) months of employment.

In the event that an employee is required to work on any of the above holidays specified as "legal holidays or University holidays", he/she shall be paid a rate of time and one-half (1-1/2) his/her regular rate of pay for all hours worked on the holiday in addition to the day's pay (at regular straight time rate of pay) for the holiday. Such employee shall receive compensation for the time worked either as time off or pay in lieu thereof, as determined by the University.

In any event, pay for any of the above holidays is contingent upon the employee working a full shift on the last scheduled day before and the first scheduled day after such holiday, except in cases of approved absence.

¹ Dr. Martin Luther King, Jr.'s birthday shall be celebrated on the federal holiday.

ARTICLE 19

(3) To be eligible for benefits, an employee who is absent due to illness or injury must notify his/her supervisor within one (1) hour before the start of his/her regularly scheduled work day, or earlier if deemed necessary by the University for operational reasons, unless proper excuse is presented for the employee's inability to call. The University may require proof of illness hereunder after an absence of three days or where

a pattern of abuse may appear to exist. Employees shall be entitled to sick leave pay only when they are necessarily confined to their homes or to a hospital because of illness.

The manager's determination that the employee no longer performs these duties may be grieved through the grievance procedure.

Nothing herein will be deemed to change any existing practice with respect to performance of these duties by support staff or officers, respectively. The performance of lead worker duties shall not be a basis to remove a bargaining unit member from the bargaining unit, either as an officer or as a statutory supervisor.

Lead Worker Role Differential Requests

An employee in a 2110 grade 8, 9, 9a, or 9b position requesting consideration for the Lead Worker role differential is to complete the supplemental lead worker questionnaire and submit it to his/her immediate supervisor. The supervisor will meet with the employee to review the questionnaire. An employee may elect to have Union representation at the meeting. The lead worker questionnaire and the supervisor's comments are to be sent to the respective local Human Resources liaison (if applicable) and then to Client Services for evaluation. Please note: incumbents in grades 8, 9, 9a, or 9b should not complete full standard position questionnaires to be considered for the Lead Worker role.

When creating a new grade 8, 9, 9a, or 9b position, supervisors may submit a lead worker questionnaire along with the standard position questionnaire to Client Services for review and consideration.

Lead Worker Questionnaire Forms are available on the HR website at www.hr.columbia.edu/hr. Supervisors are to maintain a copy of the original lead worker differential paperwork for future reference.

The result of the evaluation will be sent to the employee, the supervisor and the Union. Approved differentials will be retroactive to the date of the request for review as submitted on the supplemental lead worker questionnaire.

The result of the review will not change an employee's current job grade and job title.

The University and Local 2110 will work together to better promote this program with a view towards encouraging participation.

(1) The University agrees to notify the Union reasonably in advance of the scheduled introduction of automation that may reasonably be expected to result in (a) reduction or displacement of bargaining unit employees; (b) substantial changes in an employee's job; or (c) substantial changes in the nature of the work in a particular job classification. Notification will include the following information:

- a. Nature of the change.
- b. Departments involved and job titles of affected employees.
- c. Anticipated date of the change.

(2) In the event that automation is introduced into an office and its introduction may reasonably be expected to result in (a) reduction or displacement of employees; (b) substantial changes in an employee's job; or (c) substantial changes in the nature of the work in a particular job classification, the University will provide training to active employees and will meet with the Union to discuss the extent of such training if any is necessary.

(3) The University will not be unreasonable in providing available information in response to Union requests for information on Technological Changes. In the event of layoff due to automation, the layoff provisions of this Agreement will apply except that four weeks' notice of layoff, or pay in lieu thereof, will be given.

(4) Employees laid off as a result of technological change will be eligible for training funds as referenced in Article 36 and on-line training programs as agreed to between the parties for the duration of time spent in the temporary employment program, as referenced in Article 41 (if applicable).

A copy of such descriptions will be turned over to the Union to be posted on its bulletin boards.

B. Subject to the other provisions of this Agreement, each employee shall be entitled to take one short-term course offered by the Division of Continuing Education during each year. Employees may carry over one unused course for up to one (1) year. All short-term computer courses offered as part of the Computer Training Initiative for the Columbia Community by the Division of Continuing Education will be available pursuant to this paragraph.

- c) The employee must apply for admission in accordance with the usual program requirements, and be accepted.
- d) In the event that more than one employee is offered admission in a single year, the senior employee will receive the tuition subsidy.

E. Education and Training:

The parties will establish a joint labor-management committee consisting of an equal number of representatives each to investigate training needs and employment opportunities of the bargaining unit.

In order to upgrade employee skills and enhance productivity, and to qualify employees for better positions, the University will create a fund to develop training programs and provide education and training for members of the bargaining unit, in addition to other education and training benefits provided in the agreement.

The University will provide the following amounts for the term of the agreement in addition to any remaining funds from the prior agreements:

2022: \$150,000
2023: \$150,000
2024: \$150,000

Effective 2019, unspent funds in any year will not be carried over to the following year. The committee will work in conjunction with the University's Office of Learning and Development to develop a strategic training program for members of the bargaining unit. Up to \$35,000 of unspent funds may be used to develop said training program.

Laid-off employees will be eligible to utilize funds on the same basis as active employees. This Fund will receive penalties paid pursuant to Appendix D Casual and Temporary Adjustments.

The committee will jointly agree on allocations from the Fund, based upon the jointly identified needs of employees and the University, subject to the following guidelines:

1. Subject to the funding limitation set forth above, the parties agree that employees who have completed six months employment with the University may apply for funding for education or training programs, and will be awarded funds to be used for such programs. The University will not award more than \$12,500 per employee per academic year. (The six-month rule will not apply to training programs/courses given to a particular work unit.) Applications will be considered prior to the beginning of the summer, fall and spring terms each year.
2. The following are approved types of education and training programs covered by this agreement:
 - a. Tuition for any accredited degree program in a course of study at another college or university.

 - d. Training programs sponsored by or through the Union.

Training or lessons designed for the employee's personal entertainment, recreation or as a hobby, or to obtain a license or credentials unrelated to a University position for which the employee could reasonably be expected to qualify, shall not be covered.

3. Employees are responsible for the cost of non-tuition fees, books, or course materials.
4. Employees are responsible for applying for and being admitted to any approved program set forth in paragraph 2.
5. Employees normally will be expected to take courses during non-work time. Provided that they have supervisor approval and consistent with operational needs, employees who are taking courses during the normal work day may request to use

vacation or floating holidays, or may request time off without pay, or may make up the time, in order to attend the course. Consistent with operational needs, time off (with or without pay) will not be unreasonably denied.

6. In the event that the request for benefits under this agreement exceeds the available funding, the labor-management committee will determine how to allocate the funding. The committee will endeavor to maximize the number of employees who receive at least some benefit. Bargaining unit seniority may be considered along with other factors in allocation of funds.

7. a. Costs covered by scholarships or grants to the employee are not covered by this agreement.

b. Employees who receive funding are required to present satisfactory evidence that they successfully completed the particular program/course(s) for which they received funding before being eligible for additional funding. Employees who do not successfully complete a particular program/course(s), or who terminate their employment prior to completing a particular program/course(s), will be responsible for repayment of the funding for that program/course(s).

8. The University believes that employees are not required to pay income taxes on the value of the benefit received under this agreement. If at any time the IRS disputes Columbia's interpretation, employees may be liable for taxes on the cash value of any benefits received, plus any penalty and interest assessed by the IRS or any taxing authority against the employee.

9. Where feasible and applicable, University-provided training shall provide participants with appropriate certificates of completion.

10. Laid-off employees will be eligible to utilize funds on the same basis as active employees. This Fund will receive penalties paid pursuant to Appendix D Casual and Temporary Adjustments.

In settlement of AAA cases Ford and Samuels, Liz Warren, the 33 cases to be heard by Goldsmith, the parties agree that the issue of the Grade placement of certain job positions shall be arbitrable under the terms of the LA if the job position has been upgraded from within the BU to outside the BU. The issue in these cases shall be limited to whether the job in question belongs in or out of the bargaining unit, and the arbitrator shall have the authority to determine the grade level ranging from the grade level of the job position prior to its upgrade to the level of the job position after its upgrade or any grade level in between. The arbitrator shall have no authority to direct the University to create a new or replacement position in the bargaining unit. 3. Any money remaining in the fund at the expiration of the contract will be rolled over into the account of the subsequent collective bargaining agreement if such account continues, or, if not, will be used to provide an economic benefit of equivalent value to the UAW Local 2110 bargaining unit during the term of the successor collective bargaining agreement. Any dispute regarding the equivalent economic value or any other term or application of this side letter shall be subject to the arbitration clause of the parties' collective bargaining agreement.

Sincerely,

This payment is made on a non-precedent basis and without regard to the merits of any individual grievant's case.
2. The chart above and the payment scale will be an appendix to the collective bargaining agreement, effective upon ratification.
3. All pending cases not covered by paragraph 1 will be settled in accordance with the provisions of paragraph 2.

APPENDIX B

Guidelines for same-sex domestic partner benefit coverage:

- Your partner must be an adult of the same gender, not related to you by blood, and who is not eligible for coverage through Columbia as an employee.
- You and your partner must have lived together in a committed personal relationship for at least six consecutive months before enrolling for coverage. Furthermore, you must anticipate continuing to live together in a personal relationship in which you have joint and reciprocal financial responsibilities.
- You must complete a new enrollment form (available at the Benefits Office -- 1901 Interchurch Center, Morningside Campus, or 112 Black Building, Health Sciences Campus. You need to attach two pieces of documentation that show your shared financial responsibilities. Acceptable documentation includes:

 - ⇒ joint bank account statement
 - ⇒ joint ownership of a motor vehicle
 - ⇒ designation of your partner as primary beneficiary in your will
 - ⇒ designation of your partner as your beneficiary for your life insurance or retirement benefits
 - ⇒ assignment of power of attorney to your partner
 - ⇒ registration in New York City's Domestic Partnership Registration Program.
- Because of Internal Revenue Service (IRS) regulations, you must pay the monthly payroll contributions for your partner's portion of the coverage on an after-tax, not a pre-tax basis. In addition, under law, the amount that Columbia pays toward your domestic partner's coverage will count as taxable income. This income is subject to ordinary federal income taxation and Social Security taxes (FICA), which are normally withheld through payroll deductions.

The Benefits Office can provide you with more information about the program, as well as an enrollment form.
