

# Marshmallow and Spaghetti Tower

Which team can build the **tallest** tower?

## What You'll Need

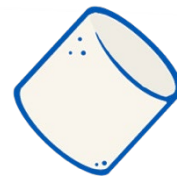

20 sticks of uncooked spaghetti

1 yard of string

1 roll of masking tape

1 marshmallow

## What You'll Do

- 1 Each team will use the materials above to build the tallest tower they can. The whole structure must stand on its own for 5 seconds with a marshmallow on top!
- 2 Teams will have 15 minutes to complete the task.

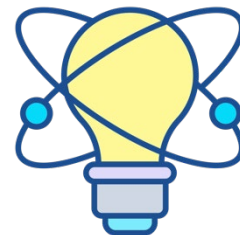

## What You'll Gain

Problem Solving

Teamwork

Innovation
