Marshmallow and Spaghetti Tower

Which team can build the tallest tower?

What You’ll Need

- 20 sticks of uncooked spaghetti
- 1 yard of string
- 1 roll of masking tape
- 1 marshmallow

What You’ll Do

1. Each team will use the materials above to build the tallest tower they can. The whole structure must stand on its own for 5 seconds with a marshmallow on top!

2. Teams will have 15 minutes to complete the task.

What You’ll Gain

- Problem Solving
- Teamwork
- Innovation
