How do I determine my monthly premium?

- Select a medical plan
- Determine who you are covering: yourself, your spouse/same-sex domestic partner and/or your eligible dependent child(ren)
- Monthly premiums are based on your age and your spouse's age (if covered)
- Add the monthly premiums for you, your spouse/partner and child(ren)

Example

You are under age 65 and retired. Your spouse is under age 65 and you have no eligible dependent children.

If you elect the Choice Plus 80 plan, your monthly premium is calculated as follows:

	Example	Your Selection
Columbia University Retiree	\$1,348	
Covered Spouse/Same-Sex Domestic Partner/Medicare Eligible Child, if applicable	\$1,384	
Dependent Child(ren), if applicable	\$0	
Total Monthly Premium	\$934
