Accessing the Salary Planning Report in the University Data Store
The Salary Planning Report

• e-Comp Submitters and Reviewers will have access to the Salary Planning report, which provides a view of salary increases from the e-Comp salary planning system

• This report can be viewed online, printed or downloaded to review salary increases while e-Comp is open, and will be available until August 31, 2021

• Salaries updated in e-Comp will be reflected in the Salary Planning Report on the following day

• The report can be run by individual or multiple groups, and will indicate if a group has been submitted in e-Comp

• Once groups have been submitted, the data will still be available through the report

• This deck provides step by step instructions on how to run the Salary Planning Report from the Business Objects/InfoView platform
Log in to MyColumbia

• The Salary Planning Report is available through the myColumbia HR Manager Reports. Login into MyColumbia (https://my.columbia.edu)

• Click the Log In Now button

• Enter your UNI and Password
HR Manager Resources Tab

- Click the HR Manager Resources Tab

Note: the screen print is specific to this user. Different users have different tabs available to them in myColumbia.
HR Manager Resources

In the Reports section Click on HR Manager Reports

People @ Columbia

- Go to PAC
- Go to PAC Central Administration

Tools

- HR Service Center
- PAC Security Application
  - PAC Security Handbook
- Labor Accounting Tools
  - PAC Combo Code to ChartString (Excel)

Reports

- People @ Columbia Manager Self-Service Reports
  (Generate Personnel Action Report; Department Earnings Register; Department Payroll Register; etc.
- Labor Accounting Reports
  (e.g. Payroll Suspense Report)
  Requires VPN if accessing reports via wireless or remote connection
- HR Manager Reports
  (FDS refresh completed on 09-MAY-16 02:30 AM)
  (FDS budget data updated on 09-MAY-16 12:21 PM)
  (e.g. Personal and Job Data, Termination)
- Payroll Reports
  (FDS refresh completed on 09-MAY-16 02:30 AM)
Business Objects InfoView Home Page

- The Launchpad is located on the Home tab and is a reporting dashboard that displays scheduled and recently run reports. Scheduling is not currently used with HR reports; therefore, this page will not provide you with much detail if you are an HR only report user. If you are also a Finance user, this page will be more useful.

- The Documents tab is where you can see the list of available reports. If you prefer to have the Documents list be your landing page, please refer to the HR Manager Reports Training Guide located in the Course Catalog on the HR Website.

- Click the Documents tab to view the reports available to you.

![The Home tab is the Launchpad](Image)

![The Documents tab displays the reports](Image)
Click and expand the Public Folders
Then click on the HR folder in order to see your available reports
All of the HR reports available to you, based on your system access, are displayed

If the reports do not automatically display upon clicking the Documents tab, click the plus sign next to the ‘Public Folders’ link to expand the report types (available to you per your access) and then click the folder for the suite of reports you would like to see. Once a report area is selected, e.g. HR, the listing of available reports displays under the Title column.
Running the Salary Planning Report

To run the report, double-click on the Salary Planning Report from the report listing (previous slide)
You are then prompted to provide input information from a list of choices presented via the ‘Prompt’ list of values or it can be manually entered on this screen (this report only requires one prompt)
Enter the requested information manually or from the list of values by double clicking on the selection or via selection arrows; this will move it from the manual entry/list of choices to the selected choice section (as noted in the screen print).

Note to select multiple Salary Group IDs in one report - Hold the Ctrl Key and Click on the individual values needed or Hold the Shift Key and Click on a group of values listed together
Click ‘OK’ to run the report
Internet Options for File Download on Internet Explorer

- The Business Objects InfoView Portal provides you with a list of icons and buttons which allow you to view, save and print your reports.
- Before doing so you will need to ensure that your Internet Explorer Browser is set up to enable automatic prompting for file downloads. You can check this by bringing up Tools on Internet Explorer and following the links under Security.

**Note:** If you have trouble and use a browser other than Internet Explorer, please contact your IT support for assistance.
Navigating a Report

- The Report appears in its own tab
- You can navigate through your report by using the Right and Left arrows provided on the footer of the report. The pages will be shown using format “Page1 of 2+”

*Click the Report Description link on the left hand menu to display the report description and user entered parameters, if any.*

*Click the arrows on the footer of the report to page through reports if there are multiple pages.*
Printing and Saving

Printing
• Using the printer icon listed on your report you can print your report. This outputs to PDF format

• Note: if you export the report into another format such as Excel, you may also print the report from that format.

Saving
• Use the Export Document dropdown list to save the report to your computer. Do not use the “save icon”
• You can save your document using several formats including Excel, PDF and comma delimited (CSV). The report will be saved to your PC for safe keeping
• You will be given the opportunity to name the report and select the location to save the file
