

PAC (People@Columbia) – Check Sequence Code Listing

To access PAC training information, visit the Course Catalog in hr.columbia.edu

Purpose:

The purpose of this job aid is to provide you with the check sequence code listing (based on the pre-7/2012 department numbers) to use when entering the Check Address in Template-Based Hire. This can also be helpful to locate a pre-7/2012 terminated employee's department appearing on Manager reports.
