

Returning Participants: How to Register via the Quest website

- Visit My.QuestForHealth.com
- If you are a **Returning Participant**, enter your username and password on the left side of the Home page under “**Log In**”
- **If you have not logged in since the last Biometric Screening events, your password may have expired and you may need to create a new password**
- If you’ve forgotten your login information, use the **username** link to retrieve your username or the **password** link to reset your password

[Contact](#)

A screenshot of the Quest website's login and registration interface. The background is a blue sky with white clouds and a yellow kayak with two people on the water. The interface is divided into two main sections: 'Log In' on the left and 'Create Account' on the right. The 'Log In' section has a white background and contains fields for 'Username *' and 'Password *', both marked as 'Required'. Below these fields is a 'Log In ▶' button and a link for 'Forgot your username or password?'. The 'Create Account' section has a dark green background and contains a 'Registration Key *' field, a note 'Located in a communication from your company', and a 'Register Now ▶' button.

- Read through the Quest Diagnostics Terms and Conditions
- Scroll to the bottom and select the **Accept & Continue** button

Terms and Conditions

1. Terms of Service: Quest Diagnostics Workforce Health Solutions ("WHS") supports health benefit management programs with policies in place to maintain the confidentiality of your information consistent with Quest Diagnostics Notice of Privacy Practices, which may be found at [QuestDiagnostics.com/our-company/privacy](https://www.questdiagnostics.com/our-company/privacy). Our Privacy of Protected Health Information (PHI) policy requires that we must obtain, maintain, use, and disclose patient protected health information in a manner that protects patient privacy and complies with all state and federal laws. Though this is a voluntary program, should you choose not to accept these Terms of Service, you will not be able to participate.
2. You are participating in a voluntary population health program, and by your participation you freely and voluntarily assume any risks associated with the screening process. You must be 18 years of age or older. As applicable for the program(s) available to you, you consent to the collection of a blood sample from a fingerstick or from the arm (venipuncture); capillary blood collection from the arm using the Tasso device; measurement of blood pressure, height, weight, waist and/or hip measurements; the collection of a cheek swab or blood sample for the purpose of cotinine testing to detect tobacco use; the collection of a nasal swab for the purposes of performing a test for the detection of COVID-19 and/or to a blood draw to determine whether you have developed antibodies to COVID-19; and/or the collection of a fecal sample for Colorectal Cancer screening. You understand that collection of a blood sample involves certain potential risks that may include but are not limited to prolonged bleeding, fainting or feeling lightheaded, bruising and multiple sticks. If the program includes the reporting of results at the point of collection, this data should be considered preliminary, as the results are screening measurements only. The instrument used on site may yield results that may vary from what would be reported if the same testing was performed in a laboratory setting.

Mobile Phone Number *

- Once you select Save, to verify your information, a Multi-Factor Authentication (MFA) screen will pop up.
 - It will ask you for a verification code. The code will be sent to the **email that you verified in the prior screen**, that is linked to your account of the username/password used to log in
 - It is an extra layer of security.
 - Go to the email and open the email from Quest with the verification code.
 - Type in the code (as seen in the screenshot below)
- Select the **Verify** button
- If the correct code is verified, you will get a success screen. Click the **OK** button to continue to the next step.
 - If the code is not correct or you do not receive an email, select the **Resend Code** link
 - Select the **BACK** button to review your email address

How to complete registration for Onsite event:

- To schedule an appointment at one of the three Health Screening events by Columbia University HR Benefits, in the **Biometric Screening** section, under Onsite Event's, select the **Make an Appointment** button

Why You Should Participate

Biometric screening information may prevent or delay chronic conditions and complications such as hypertension, heart disease and diabetes. A screening includes a blood pressure check, height and weight measurement, and a lipid and glucose profile, which is a group of tests to determine the risk of coronary heart disease.

Biometric Screening

To get started, select an appointment method below.

Onsite Events

Flu vaccines will be available for walk-ins at Manhattanville (11/12, 9am - 2pm) & Morningside (11/13, 8am - 2pm) locations. Flu vaccines do not require registration.

[Make an Appointment ▶](#)

- Select the onsite event location where you'd like to complete your screening
- Select the **Continue** button at the bottom left side of the Map
