

Columbia University is committed to supporting a workplace environment free from harassment, intimidation, threats, and violence for all members of the University community.

Please show respect in words and actions.

Review the Workplace Violence Prevention Policy for complete information, reporting procedures, and resources.

The policy is located on the University's Administrative Policy Library: <https://policylibrary.columbia.edu> or call CUHR Employment and Client Services at 212-851-7008.
